ECHO
TAKE MY LIFE

Take my LIFE and let it be,
Consecrated Lord to thee;
Take my LIPS and let them be
Filled with messages from thee.

Take my INTELLECT and use
Every pow’r as thou shalt choose;
Take my VOICE and let me sing
Always only, for my King.

Take my HANDS and let them move
At the impulse of thy love;
Take my FEET and let them be
Swift to ever follow thee.

Take my MOMENTS and my days
Let them flow in ceaseless praise;
Take myself and I will be,
Ever, only, all for thee.

Frances R. Havergal
MRS. MAJORIE HATH

For a life that is an alabaster box poured out in love and service to Jesus, for a noble personality that is ever alert to the needs of others and for a devotion that is sympathetic and tender, we the Echo staff of 1960 dedicate this yearbook to Mrs. Majorie Hath.

DEDICATED LIVES

MR. OSCAR GRISWOLD

Because of his humble, reverent spirit; because of his kindness to and thoughtfulness for others; and because he lives the beautiful religious life that he teaches and preaches, we the Echo staff of 1960 dedicate this yearbook to Mr. Oscar Griswold.

OUR COLLEGE CHURCH

Persuaded that the Christian College and the Christian Church together are supremely important factors in making democracy safe for the world, will have much to do in determining the future of the world, and have a mission and responsibility beyond words in the present world of unrest and strife; the Spring Arbor Community and College Free Methodist Church joins hands with Spring Arbor Junior College, its dedicated staff, faculty and student body, to advance the Kingdom of God, to fight to secure our democratic institutions and to save civilization itself, and to bring to all minds and hearts under our influence a knowledge of Jesus Christ who said: "I am the light of the world; he that followeth me shall not walk in darkness, but shall have the light of life."

With the latter as our primary objective, our church doors are always open and our altar is always waiting to welcome a penitent soul or a burdened heart. To this end we invite all to come in and meet God.

Verdon R. Dunckel, Pastor
With Wisdom and Guidance OUR PRESIDENT and ADMINISTRATION Build Our Future.

For his alert outlook as administrator;
For his competent leadership as executive;
For his rich, full spiritual life;
Plus a warm genuine interest displayed
In students and their problems,
We salute our President--

A CAPPHELLA

MISS MARY RUTH CROWN

On December 6, 1959, a record-breaking crowd of nearly one thousand people gathered together to hear the inspirational performance of Handel’s Messiah. The presentation was held in the E. P. Hart Memorial Chapel with Miss Mary Ruth Crown directing the one hundred fifty voice chorus.

Guest soloists were Mrs. Ila Mae Kline, Soprano; Mrs. Dorothy Lehman, Contralto; Mr. Ralph Messner, Tenor; and Mr. John W. Beegle, Bass. The accompanists were Mrs. Francis Lee, pianist, and Mr. Edgar C. Crowle, organist.

The climax of the oratorio was reached with the singing of the Hallelujah Chorus.
ACCREDITATION!

Spring Arbor Junior College
IS PLEASED TO ANNOUNCE
ITS RECEIPT AS A
Regionally Accredited Junior College
IN THE
North Central Association
of Colleges and Secondary Schools
APRIL 1, 1960
SPRING ARBOR, MICHIGAN

North Central Association Votes Unqualified Accreditation
For Spring Arbor Junior College

Official announcement received this morning from Chicago that Spring Arbor has been accredited is the culmination of four years of study, planning, effort, and prayers of the administration, faculty, trustees, and friends.

Four possible choices were considered by the Association: 1) no accreditation with possibility of reconsideration after three years, 2) qualified accreditation with a complete follow-up study within three years, 3) qualified accreditation with another examination within three years, 4) unqualified accreditation.

In what appears to many to be an almost unprecedented decision, the Association granted to Spring Arbor Junior College on its first application the highest possible recognition.

Significant progress in several important areas commend the school to the Association. Most notable of these were increases in faculty salaries of 93.8% over a five-year period, increase in faculty members with masters degrees from 68% to 90% in the same period, and a college enrollment increase of 63%. Other strengths noted were the two million dollar debt-free campus, the balanced budget, alumni support as indicated by the fact that in 1958-59 Spring Arbor was fifth in the nation in total alumni giving for junior colleges, student achievement, a quality counselling program, administrative reorganization and leadership, Board of Trustee support, and outstanding teaching by a qualified faculty.

There are strong implications in unqualified accreditation: 1) the educational task of the institution is clearly defined; 2) the necessary resources are available for carrying out the educational task; 3) the institution is well organized for carrying out its educational task; 4) the curriculum and instructional programs are adapted to the goals of the college; 5) the conditions of faculty service promote high morale; 6) student life on the campus is well-balanced and educationally meaningful; 7) the level of student achievement is consistent with the goals of the college; 8) students of Spring Arbor will be able to transfer to any college or university with full acceptance of credits.

"Quality education, thoroughly Christian" takes on new meaning now. Faculty and administration join the student body in the expression of full thanks to God for divine direction and leadership.

ACTION

This year's harriers put forth as much or more effort than those of prior years but were destined to be the first Spring Arbor team to be defeated by another Junior College in a dual or triangular meet. The loss to Flint J. C. broke Spring Arbor's national junior college win streak at 29 wins over the eight year span the sport has existed at the college. During the same time the Blue Jays won 24 of 29 meets with senior colleges for a total of 53 wins in 58 meets. This season's four perfect scores of 15-50 were better than any previous team had done.

“We guarantee our work”
Congratulations by the handfuls were tossed down the halls of the school during the final week of classes as the Seniors and college Sophomores neared graduation. Class night activities, Baccalaureate services, and Commencement exercises kept the graduating classes in a whirl and President Smith, though also busy, wore a smile of satisfaction over the events and accomplishments of the year.

May, the month of Spring flowers, brought many happy, busy days to Spring Arbor’s campus. The all-school play, "Hoosier Schoolmaster" campus clean-up day, and the Freshman-Sophomore banquet will remain in the minds of the students as some of the most enjoyable events of the year.

MILLER'S TRAILER VILLE

Spring Arbor, Michigan

Best Wishes to the Graduating Class of '60'
SO LONG AS THERE ARE HOMES

So long as there are homes to which men turn at the close of day,

So long as there are homes where children are,

Where women stay

If love and loyalty and faith be found

Across those sills,

A stricken nation can recover from

Its gravest ills.

So long as there are homes where fires burn

And there is bread,

So long as there are homes where lamps are lit

And prayers said;

Although a people falter through the dark

And nations grope,

With God himself back of these little homes

We still can hope.
