I've been lately thinking about my life's time,
All the things I've done and now it's been.
And I can't help believing in my own mind,
I know I'm gonna hate to see it end.

I've seen a lot of sunshine,
slept out in the rain.
Spent a night or two all on my own.
I've known my lady's pleasures, had myself some friends.
Spent a time or two in my own home.
For though my life’s been good to me, 
there’s still so much to do. 
So many things my mind has never known.
I’d like to raise a family
I’d like to sail away
And dance across the mountains on the moon.

The days, they pass so quickly now,
Nights are seldom long.
Time around me whispers when it’s cold.
Changes somehow frighten me, still I have to smile.
It turns me on to think of growing old.

And I'll have to say it now,  
It's been a good life all in all.  
It's really been fine to have the  
chance to hang around and  
lie there by the fire,  
While all my friends and I  
sit and pass the time away.  
And talk of poems, prayers, and  
promises and things we  
believe in.

How sweet it is to  
love someone  
How right it is to care  
How long it's been  
since yesterday and  
What about tomorrow and  
What about our dreams  
and all the memories we share?
The past twelve years have witnessed the daily walks of Dr. Edward Coleson, both to and from the campus. He can be seen every morning walking up College Street, regardless of the weather.

Many times he is seen carrying an armload of books with which to prepare for his classes. But Dr. Coleson carries more than mere books into a classroom. He carries a thorough knowledge of his topic, a highly intellectual mind, an artistry in so called dry humor, and a concern in peoples’ education.

Edward Coleson is one of the most concerned and devoted people in Spring Arbor. He is devoted to teaching, and devoted to SAC, but most of all he is devoted to mankind. He always has time to listen and is more than glad to help his fellow man.

We would like to take this time to thank Dr. Coleson for his concern and devotion to mankind, and also to dedicate the 1973 ECHO to a man among men, Dr. Edward Coleson.

The 1690's were, indeed, times that tried men's souls. Heated in a crucible, as it were, only the stout hearted had the courage to be wholly honest once they were "somewhat mentioned" in the hysteria of the witch hunts. In spite of The Crucible's having a religious setting with the characters talking a great deal about both God and the devil, Arthur Miller suggests only weakly, if at all, that God or the devil is a significant influence in the Salem witch trials. His treatment is almost wholly humanistic. Man invented and carries out man's inhumanity to man.

SUMMER AND INTERIM

This was the first year of SAC's new academic calendar, involving the interim period of January. This month of interim allowed a more concentrated area of study, but also made it possible to offer classes off campus which had never been offered before. Last summer SAC offered a few classes off campus, one field study class in Michigan and a couple other classes in Colorado, but interim offered classes that went to England, Haiti, Washington D.C., and Chicago.

These off campus studies have been a great addition to the curriculum of SAC and have proven to be a truly enjoyable and educational experience for the participants. The following pages are a glimpse of some of the people and places involved in the off campus classes.

CROSS COUNTRY 1972-73

This year's Cougar cross country team was 3-3 in dual meets with victories over Glen Oaks, Olivet, and Grand Rapids Baptist, while the losses came against Hillsdale, Albion and Ferris. The harriers captured 1st place in the Spring Arbor Invitational. They were 4th at the Grand Valley Invitational and 5th at both the Adrian and Taylor invitationals. In the NAIA District 23 meet Spring Arbor was a close 5th. Along with Terry and Frank the Cougars received steady contributions from Lowell Rose, Marc Wells, and Dale Blain, plus two promising freshmen John Rose and Jeff Evoy. The highlight of the season was the national cross country meet where Terry finished 12th to become Spring Arbor's first All-American and Frank was just 19 seconds behind in 26th place.

This year's fall tennis team was 4-2 winning their last 4 matches. They lost their first two matches to Hillsdale and Tri-State while staying without the services of their number two man, Dave Priesler. After his return to the line up the Cougar netmen reeled off victorious over U. of Michigan at Flint, Marion and they avenged their earlier defeat to Hillsdale. The Cougars were led by Greg Cooper, Dave Priesler, Les Packard, Gordy Milnes, Bruce Bonney, and Rob Erb filling the top six slots, respectively. Other netmen were Mike Mecurio, Ron Kopicka, Steve Williamson and Greg Buick. With all the players returning and the Most Improved player this fall, Bruce Bonney, filling the number five spot the Cougar netmen can look forward to a promising and rewarding spring.
GIRLS VOLLEYBALL
1972-73

Well, S.A.C.'s women have done it again! Another victorious year in collegiate volleyball! This year the record shows 6-0 for the Varsity and 4-0 for the Junior Varsity. This year they were invited to a tournament at Calvin College where they really showed their talents. They played such teams as Calvin and Kellogg in which are looked upon in fine standings. The team is already looking forward to next year and counting the victories and saying it will be another victorious season.

WOMENS BASKETBALL

Under the direction of the new coach, Mrs. Kay Dunckel, the women's basketball team anticipated a winning season. An example of the fine team work displayed throughout the season was seen in the game against Hillsdale, 74 to 19, and in the game against Jackson C.C., which proved to be one of the more exciting games in the season which ended 44 to 43. The team included four Seniors, Lillian Bowker, Shelly Falconer, Kathy Gabril and Barb Miller, who felt that this was one of the best seasons that they have participated in during their four seasons at S.A.C. As one of the local newspapers put it, the Cougarettes could very well claim the Women's Basketball Championship of Jackson County.

BASKETBALL

1972

CHEERLEADERS

73
It was a year of contrasting emotion for the 72-73 edition of Spring Arbor Basketball. The Cougars, under first year coach Bill Bockewitz, experienced both satisfying victories and the sorrow of heartbreaking defeat.

Led by the prolific scoring of senior guard Jackie Evans, the Cougars opened their campaign with an impressive win over Goshen. After dropping a close decision to Tri State, they captured fourth place at the eight team Grace College Turkey Classic.

Evans turned in a dazzling display of basketball artistry throughout the season. The 6'2" Evans averaged better than 30 points per game, and counted 67 against Marion.

Also aiding the SA point production was Jimmy Johnson, who's long range jump shots became a trademark.

Super Sub" Jimmy Jones and Jeff Seifert were strong rebounders with support from Brown, DeRossett, and Gates. Ken Klinger and Virgil Cecil provided the extra spark needed at the other guard position.

"Super Sub" Jimmy Jones and Jeff Seifert were strong rebounders with support from Brown, DeRossett, and Gates. Ken Klinger and Virgil Cecil provided the extra spark needed at the other guard position.

J.V. BASKETBALL

Coach Harry Hutt.
Playing perhaps their toughest schedule in the school’s history, the 1972 Spring Arbor baseballers compiled a 16-14 win-loss record. The Cougars faced such teams as Toledo University, Wayne State University, and the University of Detroit. Also on the schedule was NCAA power, Harvard University, who played a three game series with the Cougars while they were in St. Petersburg, Florida, on their southern trip.

Fine performances from pitcher John Sams (6-3), base-stealing artist Theron Spence, and all state first baseman Neil Braly, helped earn the Cougars their eighth straight invitation to the post-season State Tournament, held in Grand Rapids.
TERRY VALENTINE:
SPRING ARBOR'S FIRST
ALL-AMERICAN ATHLETE.

Terry Valentine, the greatest cross country runner in
the history of Spring Arbor College, made his final
appearance the most rewarding one by capturing All-
American honors at the National Association of Inter-
collegiate Athletics (NAIA) national championship. He
finished 12th in a field of 400 runners who competed in
the meet in Liberty Missouri.

Terry came to Spring Arbor in the fall of 1969 after
achieving an All-State award as a member of East Jack-
son High School's cross country team.

As a Freshman and Sophomore Terry was a strong
member of the Cougar team. As a Junior, Terry ran
stronger than ever and set the home 4.0 mile record at
19:48. As a Senior Terry set records in the first four
meets. His best was on the five mile Adrian course with
a time of 24:32. On the tough Eastern Michigan course
his 24:59 placed him sixth on the all-time best perform-
ance list ahead of such well-known runners as Olympi-
ans Dave Wottle and Dave Ellis.

CONGRATULATIONS TERRY, ON A VERY FINE
JOB...
Led by co-captains Terry Valentine and Doug King the 1972 Spring Arbor track season proved very fruitful. Spring Arbor was 6-1 in dual meets, with the lone loss coming against a powerful Hope team. It was nip and tuck all the way and the final outcome was decided in the last 2 events as Hope emerged victorious by less than 3 points. Along with competing in the Ohio State Relays and the Elmhurst Invitational, the Cougars finished an impressive 5th in the state meet scoring 42 points, Coach Comden was impressed with the overall balance and strength of the team. Spring Arbor's 42 points came largely as a result of Terry Valentine's 1st place finish in both the mile and 3 mile and Dan Roggenbaum's 1st place finish in the 2 mile walk. Also, the mile relay team and Marc Wellis finished 2nd to aid the total. The season was climaxed by the representation of Spring Arbor at the NAIA national track meet in Montana by Terry Valentine and Dan Roggenbaum.
We are greatly indebted to the following people for their support in the publication of this year’s Echo.

AWARENESS

God — let me be aware.
Let me not stumble blindly down the ways,
Just getting somehow safely through the days,
Not even groping for another hand,
Not even wondering why it all was planned.
Eyes to the ground unseeking for the light,
Soul never aching for a wild-winged flight,
Please, keep me eager just to do my share.
God — let me be aware.

God — let me be aware.
Stab my soul fiercely with others' pain,
Let me walk seeing horror and stain.
Let my hands, groping, find other hands.
Give me the heart that divines, understands.
Give me the courage, wounded, to fight.
Flood me with knowledge, drench me in light.
Please — keep me eager just to do my share.
God — let me be aware. — Miriam Teichner

NEVER
CAN
SAY
GOOD — BYE
The days, they pass so quickly now

Nights are seldom long

Time around me whispers when it's cold

Changes somehow frighten me, still I have to smile

It turns me on to think of growing old.

For though my life's been good to me, there's still so much to do.

So many things my mind has never known.

I'd like to raise a family

I'd like to sail away

And dance across the mountains on the moon.
And I'll have to say it
now, It's been a good
life all in all

It's really been fine to
have the chance to hang
around and lie there
by the fire

While all my friends and I
sit and pass the time
away, And talk of
poems and prayers and
promises and things
we believe in.

How sweet it is to
love someone,
How right it is to care
How long it's been
since yesterday and
What about tomorrow and
What about our dreams
and all the memories
we share?
