The Echo

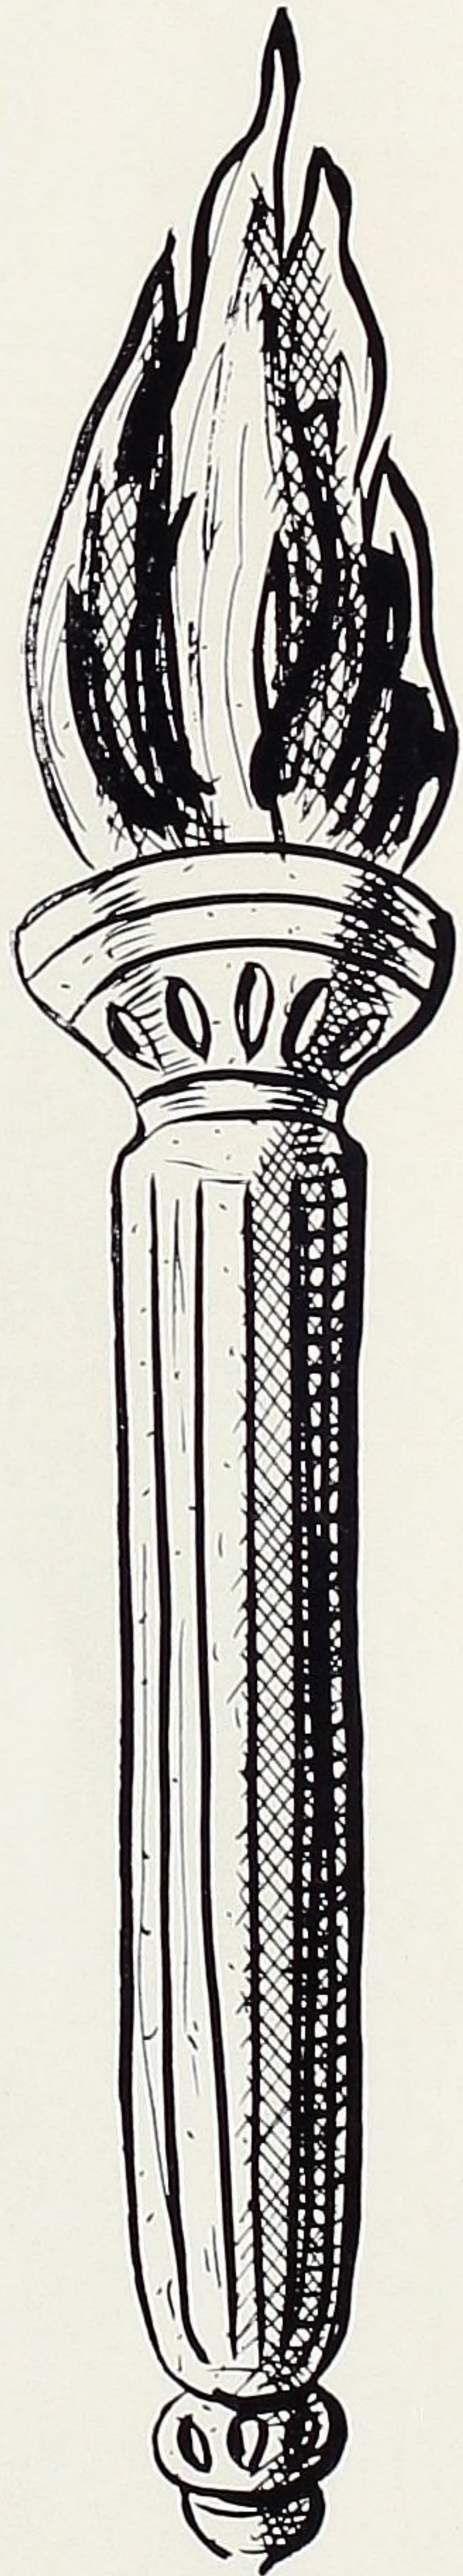

1950

Presented

by

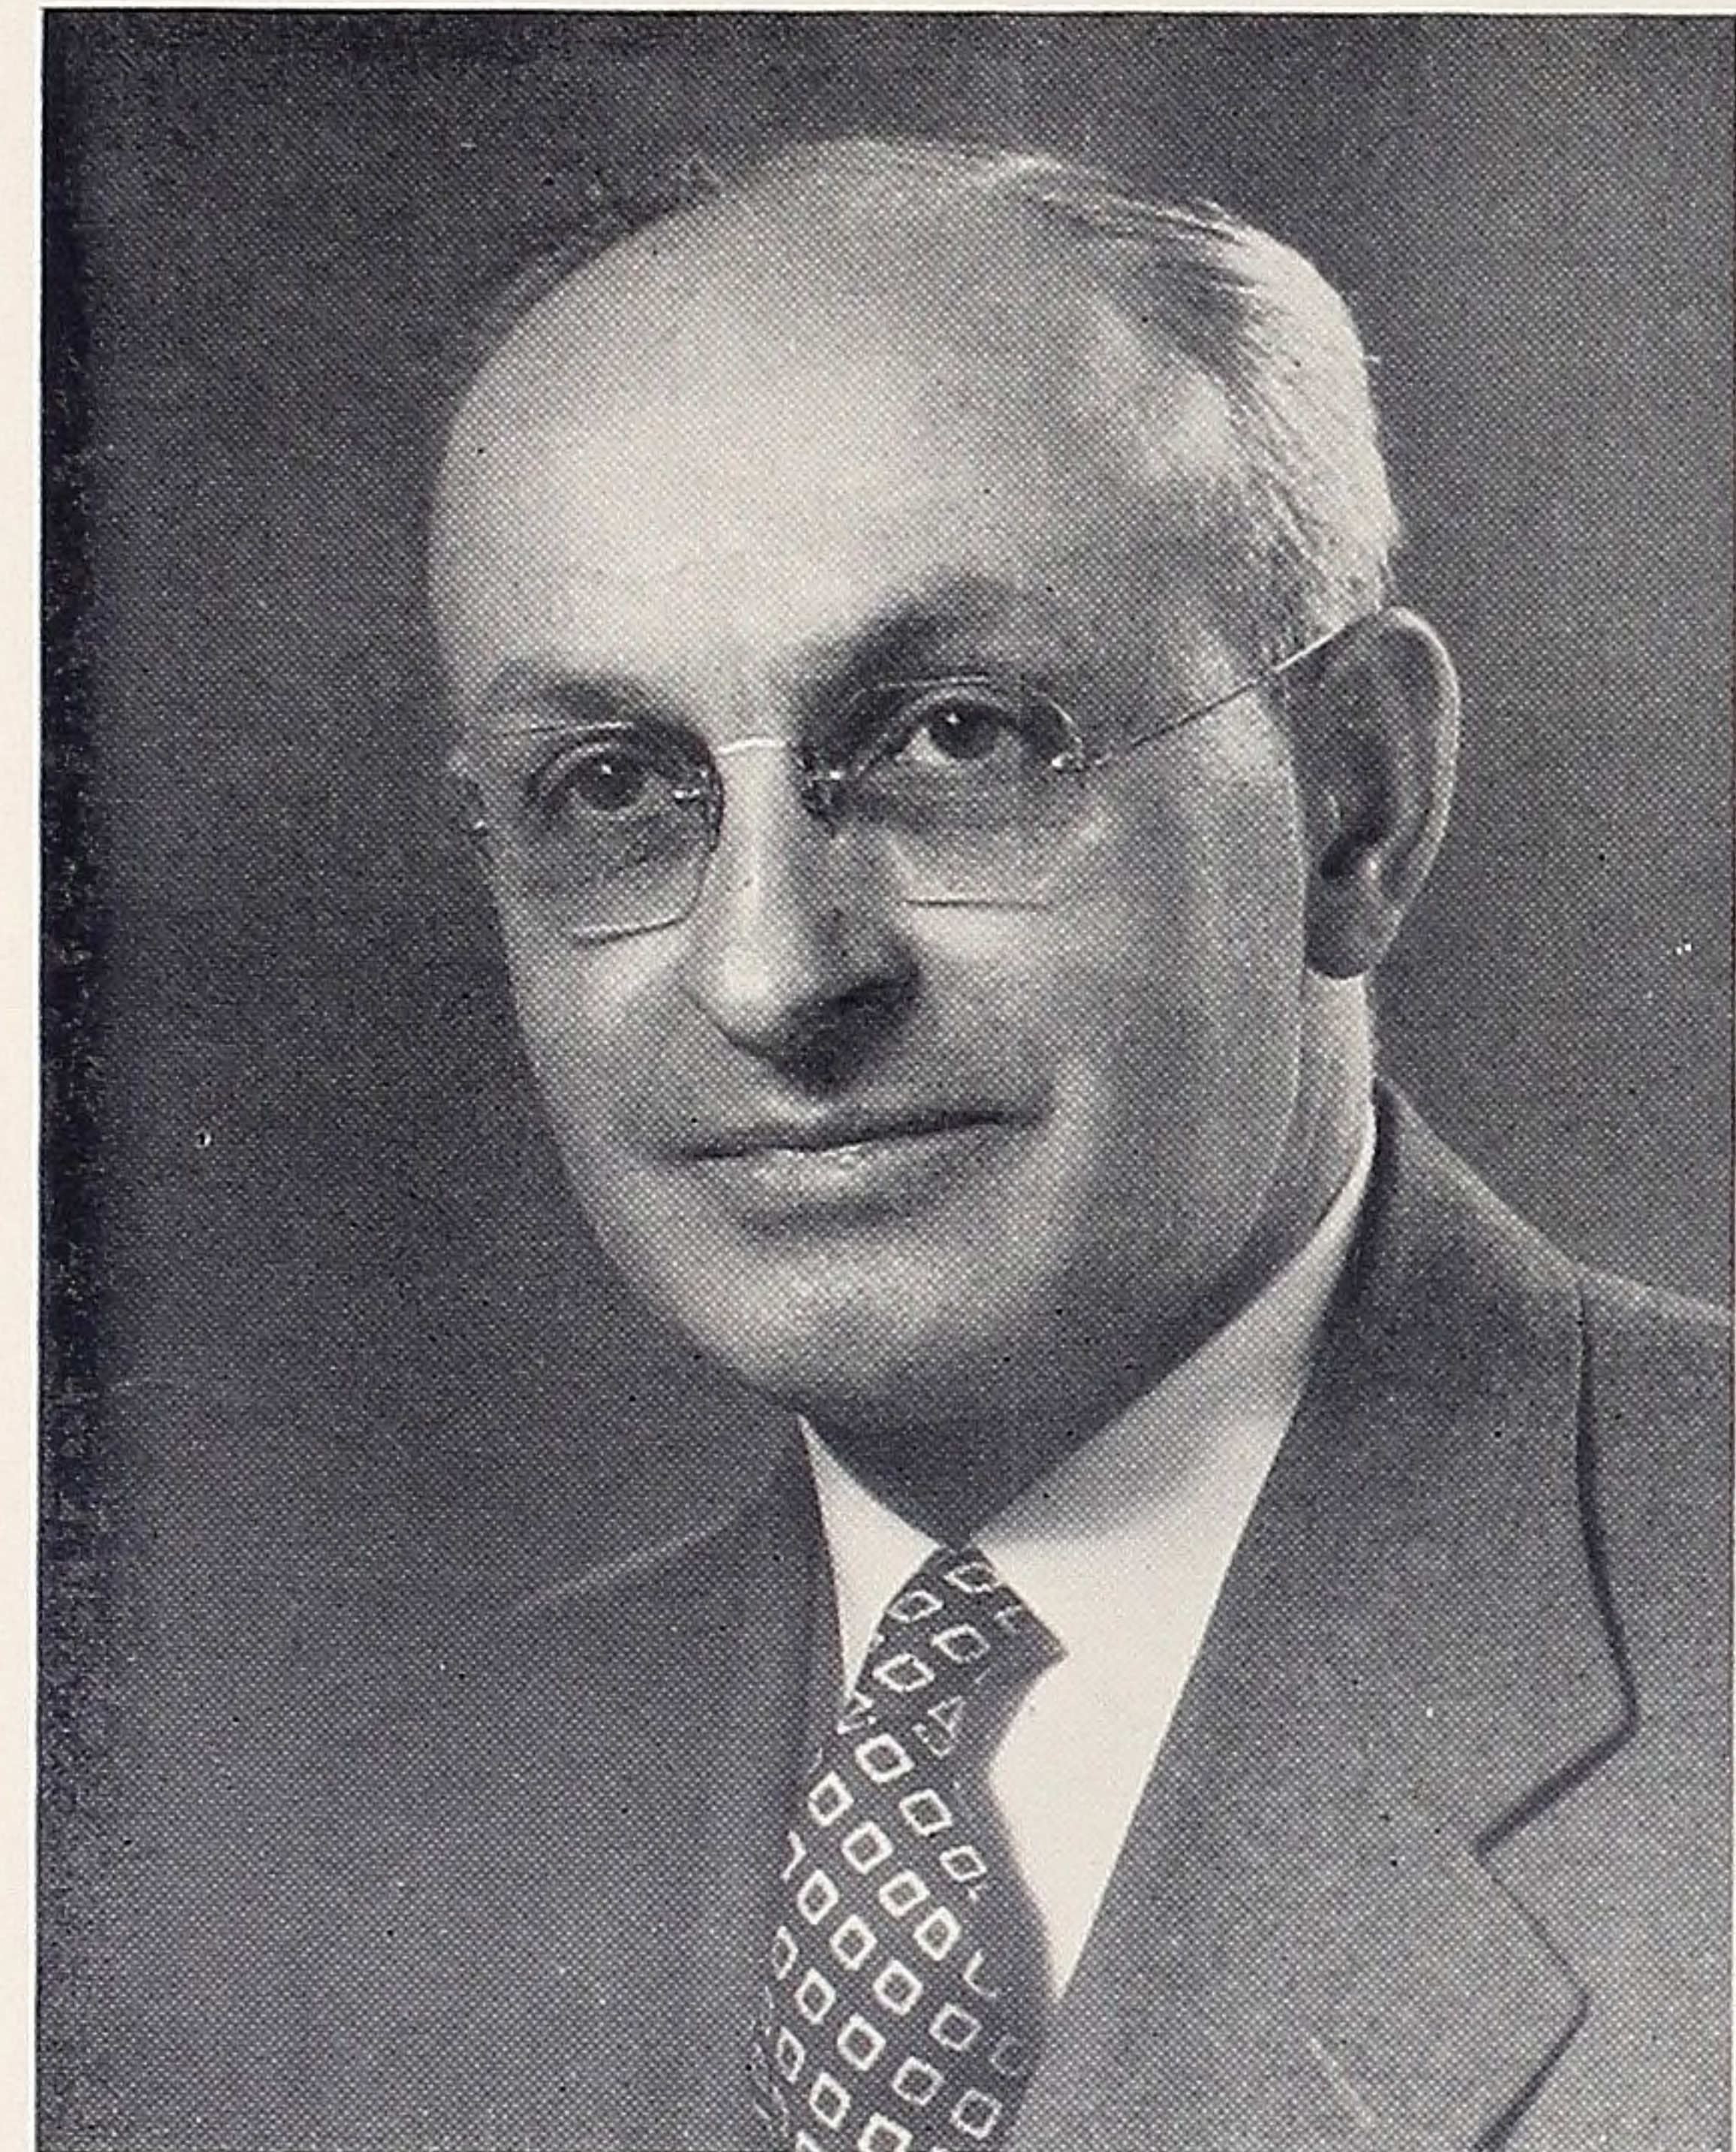

Spring Arbor Junior College

Forward

Realizing the tremendous need of a "Guiding Light" in this, the second half of the twentieth century, we, the students of Spring Arbor present this Echo, with the hope that within its memory-filled pages others might learn something of the light which has been the center of our life here.

Throughout the coming years, we will often turn to these pages, to renew again our memories of life while here. As we glance at these scenes, there arises within us the determination to be worthy sons and daughters of "Spring Arbor, the school we love."

Dedication

To—

President Gregory:

whose ever patient, loving leadership, coupled with his inspiring, holy life, has guided and led us to Jesus, the Light of the World, we, as a small token of our appreciation, dedicate this 1950 Echo.

In Memoriam

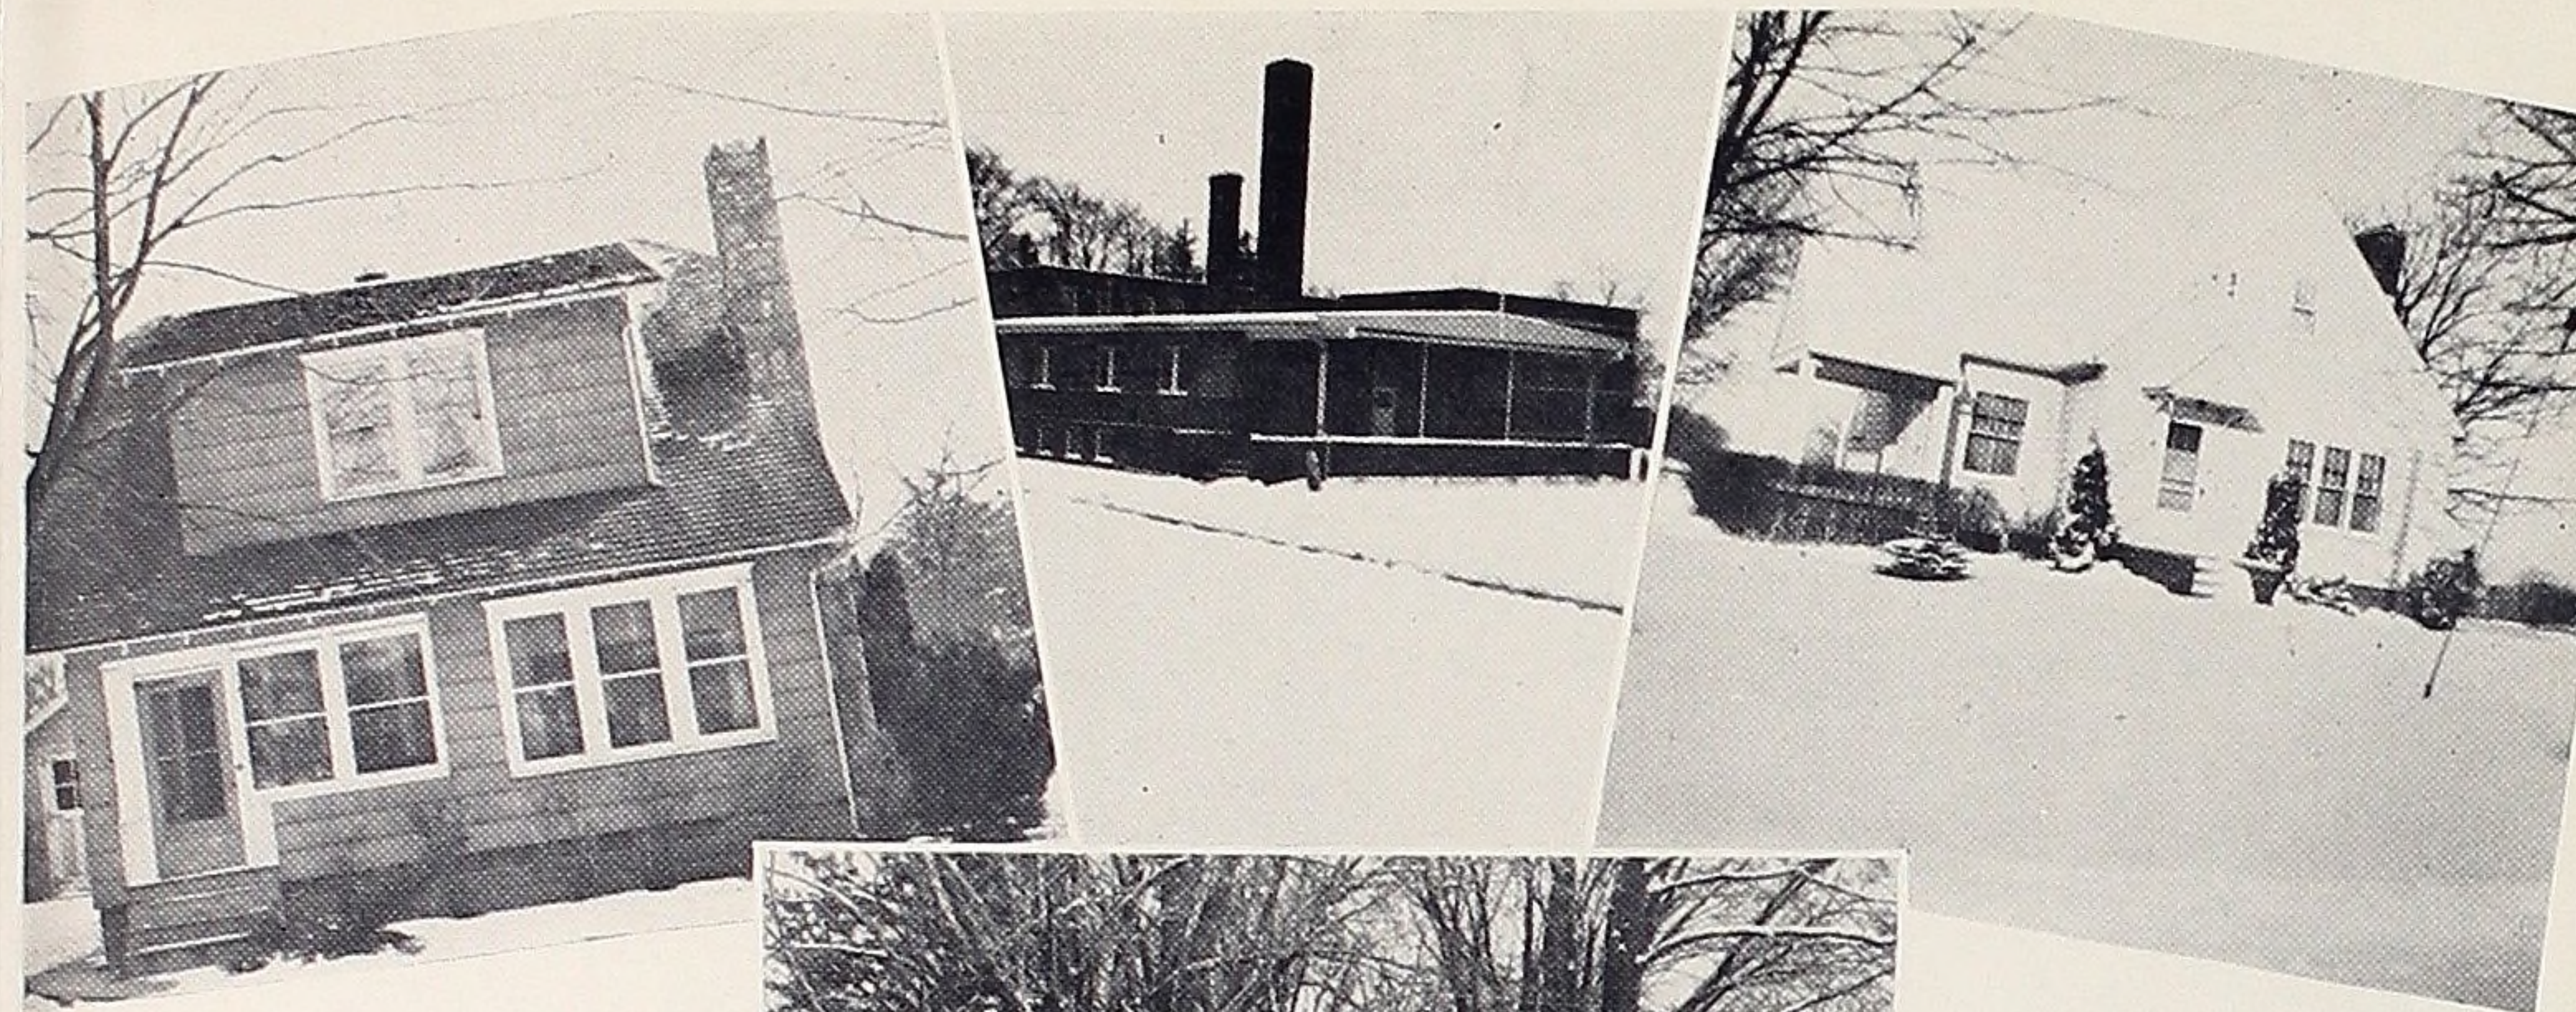

Rev. W. C. Muffitt, a patriarch of Free Methodism, died September 18, 1949, as a result of injuries received when struck by an automobile on his return home from evening service at the Spring Arbor college church. He served for fifty years as pastor and Elder in the Michigan and Ohio Conferences.

Long a friend of Spring Arbor, he endeared himself to the hearts of hundreds of students who knew him. Through his own personal finances he made it possible for sixty-eight girls to attend our school. His fifty-two years of service on the Board of Trustees at Spring Arbor is an outstanding testimonial of his vital interest in youth.

We shall miss this man of God, whose holy life has mirrored humility, integrity, and faith. Truly a prince with God and a prince among men has gone to his reward.

Echo Staff

H. STEEL B. ERICKSON D. TOWNS E. BLACK B. SHAW

This staff has worked hard to give you something by which you can remember your Spring Arbor days. The editor and business managers were elected by the student body in the spring of 1949. These students started "the ball a-rolling" early last fall when they chose the staff. Many study hours have been sacrificed in completing this book. As a student body, we extend our "thanks" to Doris and the staff for the excellent job they have done.

Administration

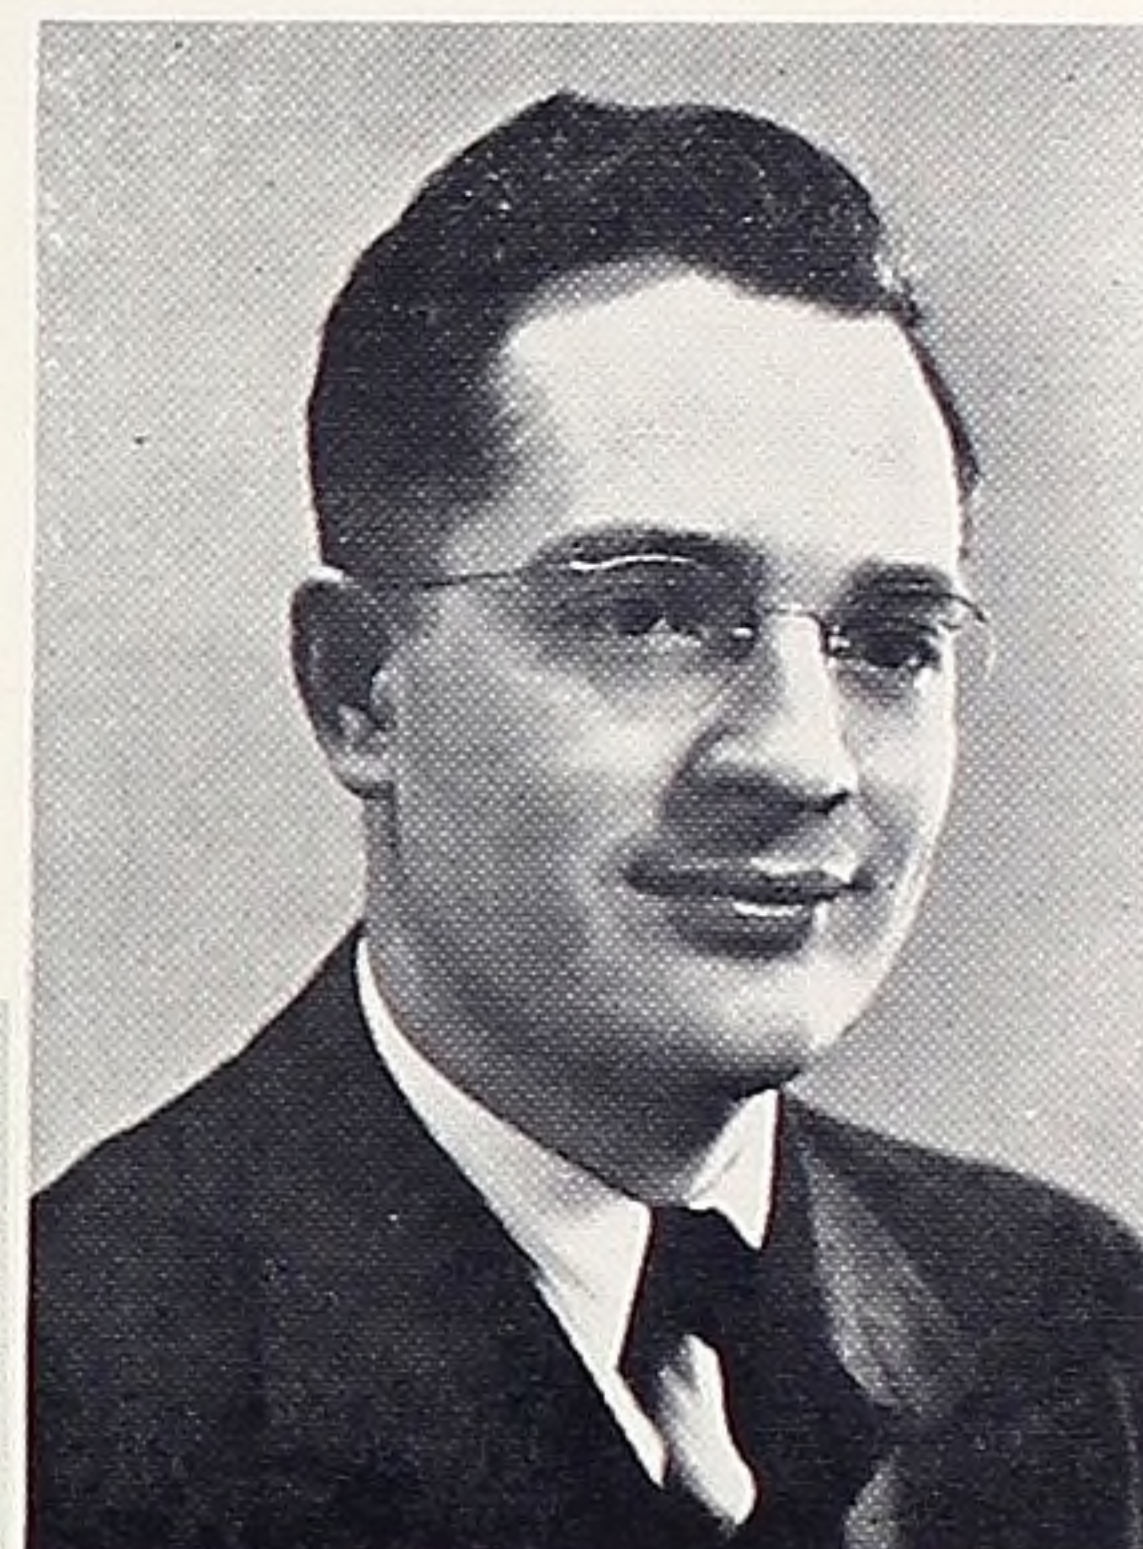

MR. OSCAR C. GRISWOLD, A.M.
*Dean-Registrar
Religion*

Mr. Griswold is one of those rare individuals who is punctilious, meticulous about the little things, patient and persevering.

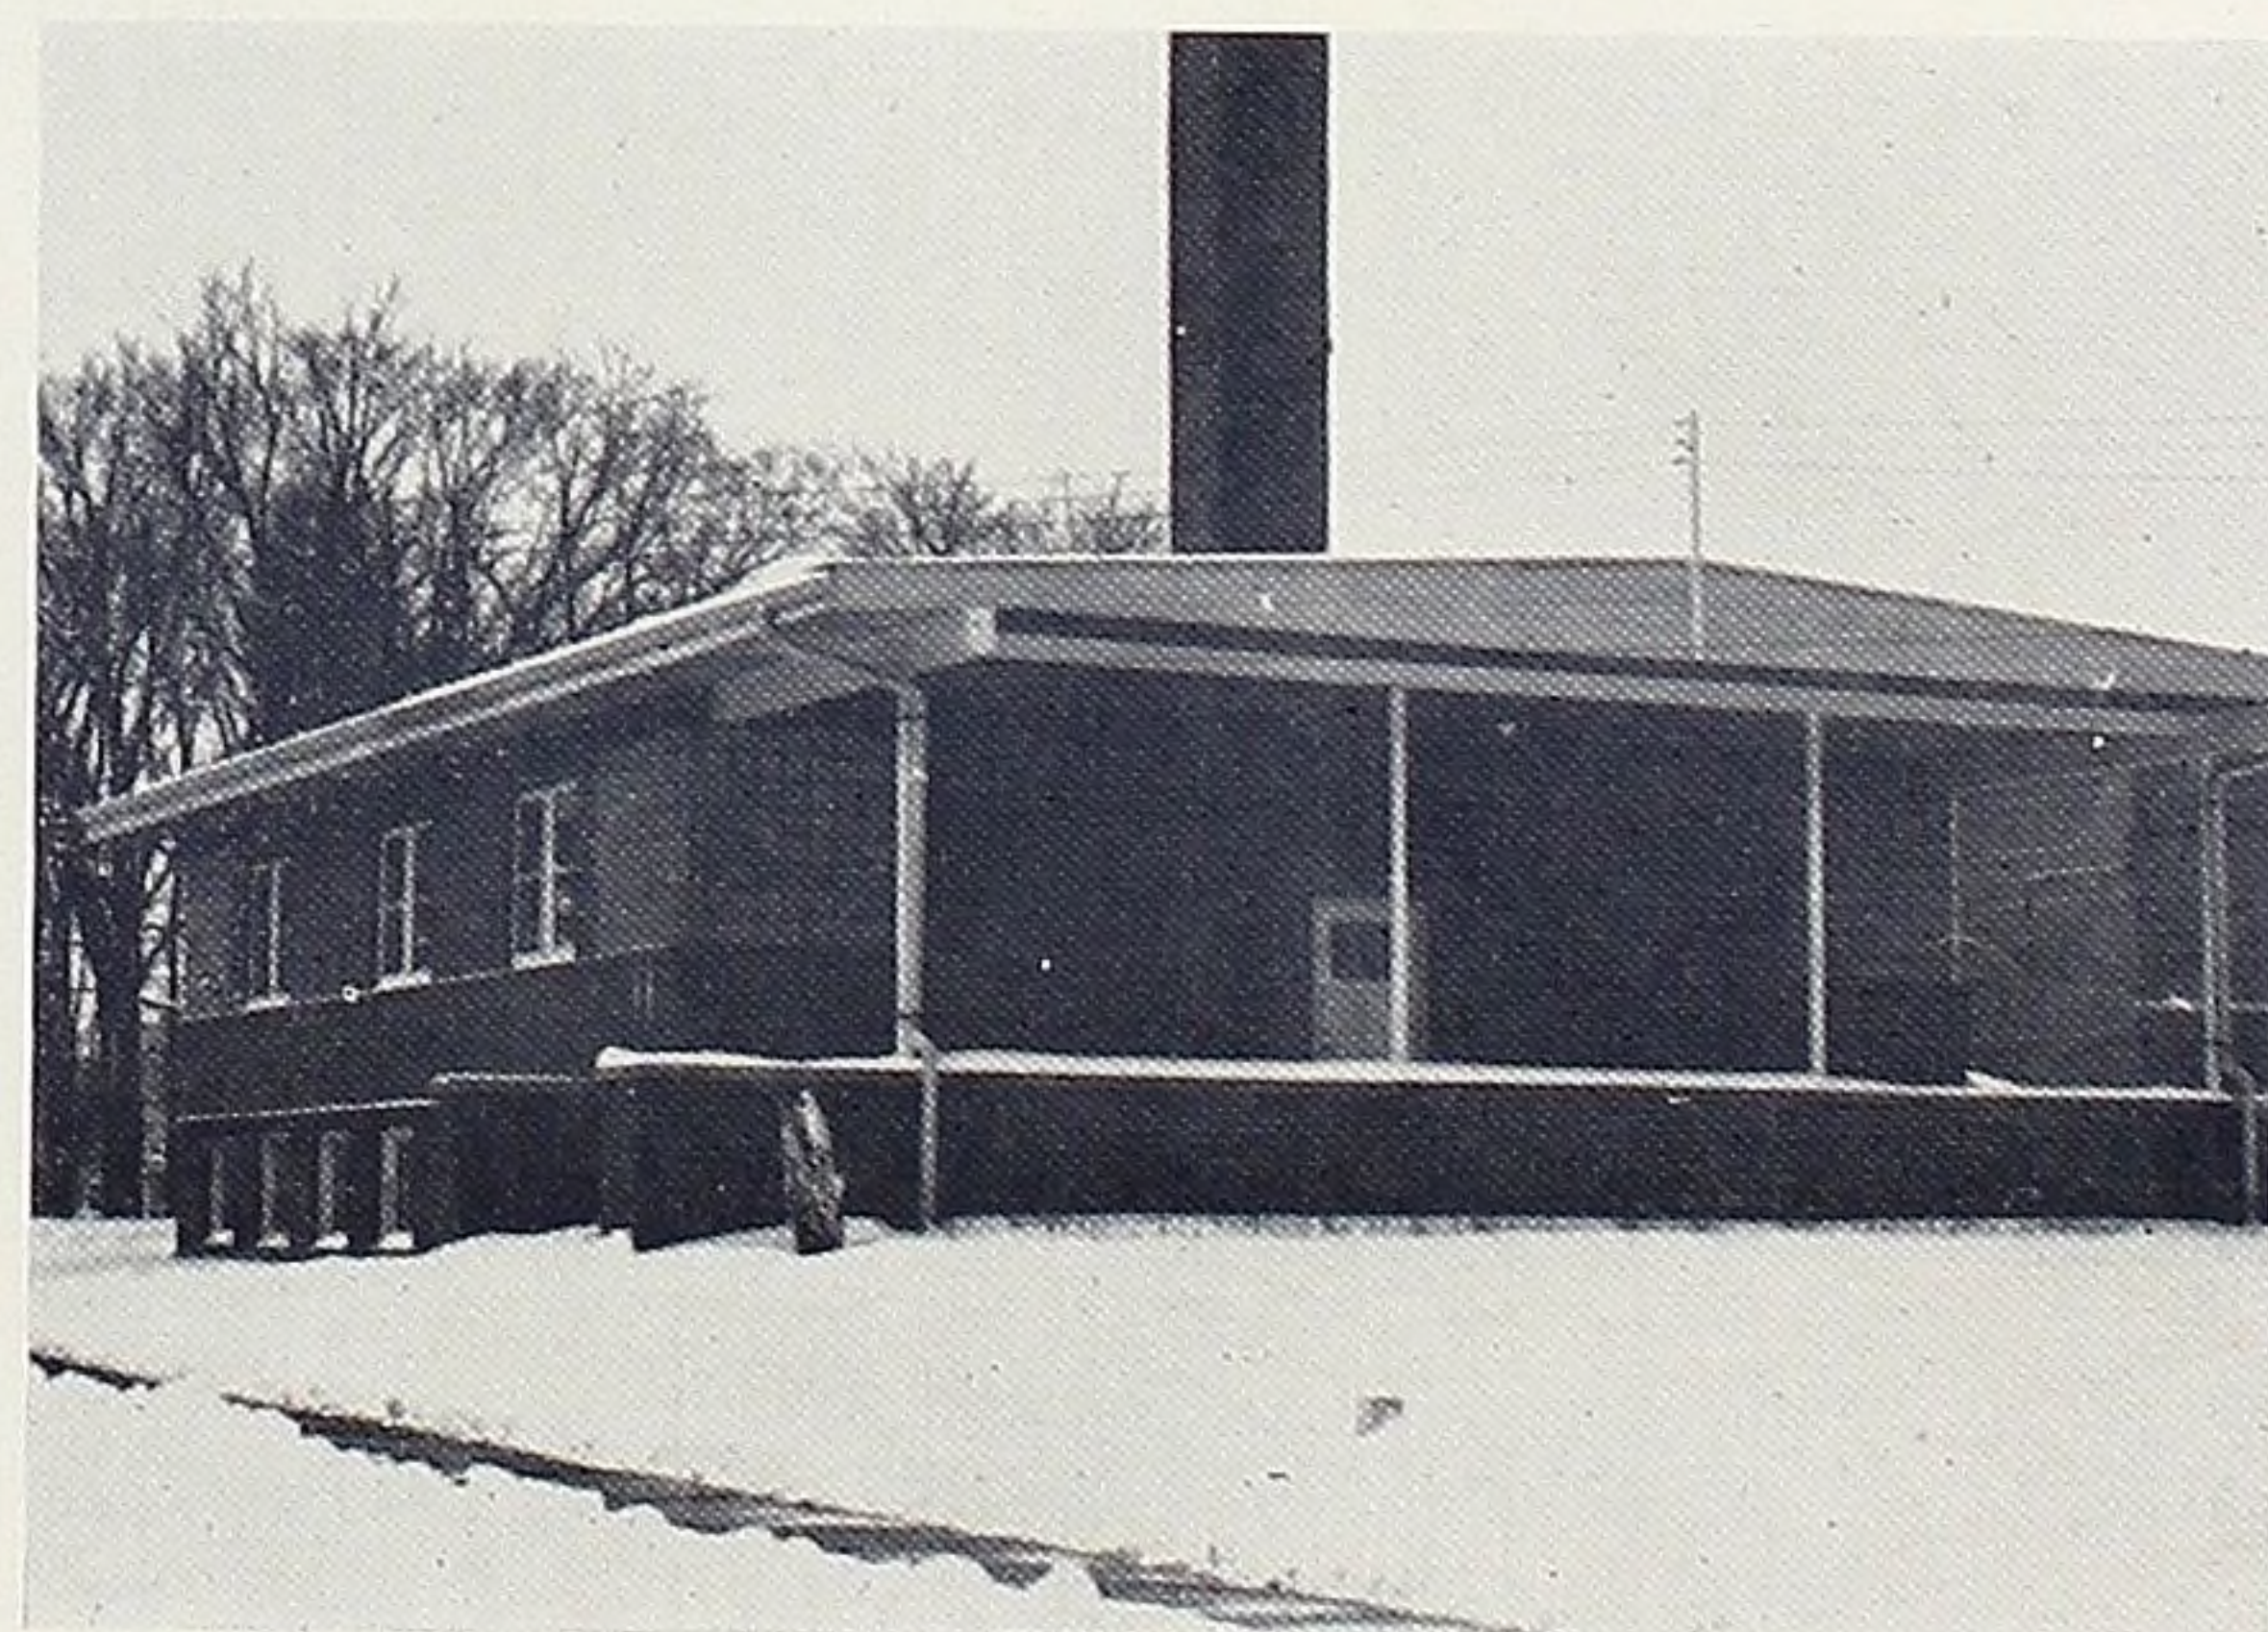

MISS EVEA RENSBERRY, A.B.
Bursar

With that smile that's just like a part of her, she finds time to work all kinds of hours and still be an absolute virtuoso on the organ.

MR. FLOYD MCCALLUM, A.B.,
Th.B.
Religion, Philosophy, Greek

"The work program's a wonderful thing." He's another one of those brains who makes classes extremely interesting with his unexpected exclamations and new and different thoughts.

ADMINISTRATION BUILDING

Faculty

MR. DEAN SPENCER, Ph.D.,
A.M.

English, Social Science

"The Thinker." Mr. Spencer has an interesting philosophy of life that includes a good state of mind and a practical religion.

MISS GEORGIA BABCOCK, R.N.
College Hygiene, Nutritionist

Since she's no longer "Mother" to all the girls, Miss B. has found life to be more peaceful, contented and enriching as she has more time to do what she wants.

MISS LUCY MADDOX, A.B.,
M.A.

*Dean of Women
English*

We have all come to appreciate the positive, example-setting character of "Aunt Lucy", who has affected our lives with her beneficial daily quotations, her black lists and cozy fireside chats.

MR. HENRY RYCNMAN, A.B.,
B.S.

*Dean of Men
Piano, Industrial Arts*

Quiet and unobtrusive, there is more power behind that seemingly unruffled exterior than most people realize.

MR. DONALD McDONALD,
A.B., A.M.

*Mathematics, Science
Director of Physical Education*

There just isn't anyone else like Mac. He can turn out crackerjack basketball teams and change his students into regular mathematical wizards.

MISS MABEL HARKCOM, B.S.,
A.M.

Science, Sociology, Art

Being one of those often hoped for, seldom encountered types of persons, Miss Harkcom has the ability of being truly intellectual without being effusive nor ostentatious in her scope of knowledge.

MISS JOY BRILLHART, A.B.

*Piano
Social Science*

She must have been born with a perpetual smile on her face and twinkling fingers that she now employs on both piano and organ.

MR. ELDON WHITEMAN, B.S.,
M.S.

Science

He teaches us what we need to know, does it in an interesting manner and doesn't let anything bother him.

Faculty

MISS VIOLET MORGAN, B.S.
Commerce

Feminine, yet business-like, Miss Morgan is the example of a perfect lady. We admire her utter humility in her relationship with God.

MR. LEONARD SOLDAN, A.B.,
M.A.

Social Science, English

This pedagogue is a well-integrated personality with a flair for doing anything he sets his mind to. He plays the organ, produces and directs terrific programs, and makes his classes just plain interesting.

MR. EDMUND SNYDER, A.B.,
A.M.

Spanish, Psychology

Rather unpredictable with his dry humor, Mr. Snyder can use applied psychology when the need arises.

MISS ARLETA RICHARDSON,
B.S.

*Librarian
English*

Because life is still fascinating and exciting for her, she is vastly interested in people as individuals. She has a special knack for expressing things so aptly.

MISS VERA LINDSEY, A.B.

*Voice, Music Theory
Physical Education*

She has become a real inspiration to us students, for she is "on fire for God." Miss Lindsey gives everything she's got to everything she does, whether it be directing the A'Cappella or coaching basketball.

MR. WARREN STORM, B.S.

Commerce

As a new addition to the faculty, he is doing a good job with the least fuss and bother. He is one of those blissful quiet people.

MR. JOHN ZIMMERMAN

Organ

It's been a joy to have Mr. Zimmerman come out for his weekly lessons and occasionally present to us his singularly outstanding concerts.

MR. CHARLES KINGSLEY, A.B.

*Director of Field Service
Department*

While diligently working for the furtherance of the Lord's work, he uses to the greatest advantage his zeal for the Field Service Department.

General Staff

MRS. MARGARET BUCKTA

Kitchen Supervisor

Quiet and unassuming, she works like a slave to keep those "inner men" of ours quiet.

MR. AVERY HENDERSON

*Supt. of Buildings and
Grounds
Maintenance*

He really works hard even though sometimes it's just plain drudgery.

MR. ELLERY BOADWAY

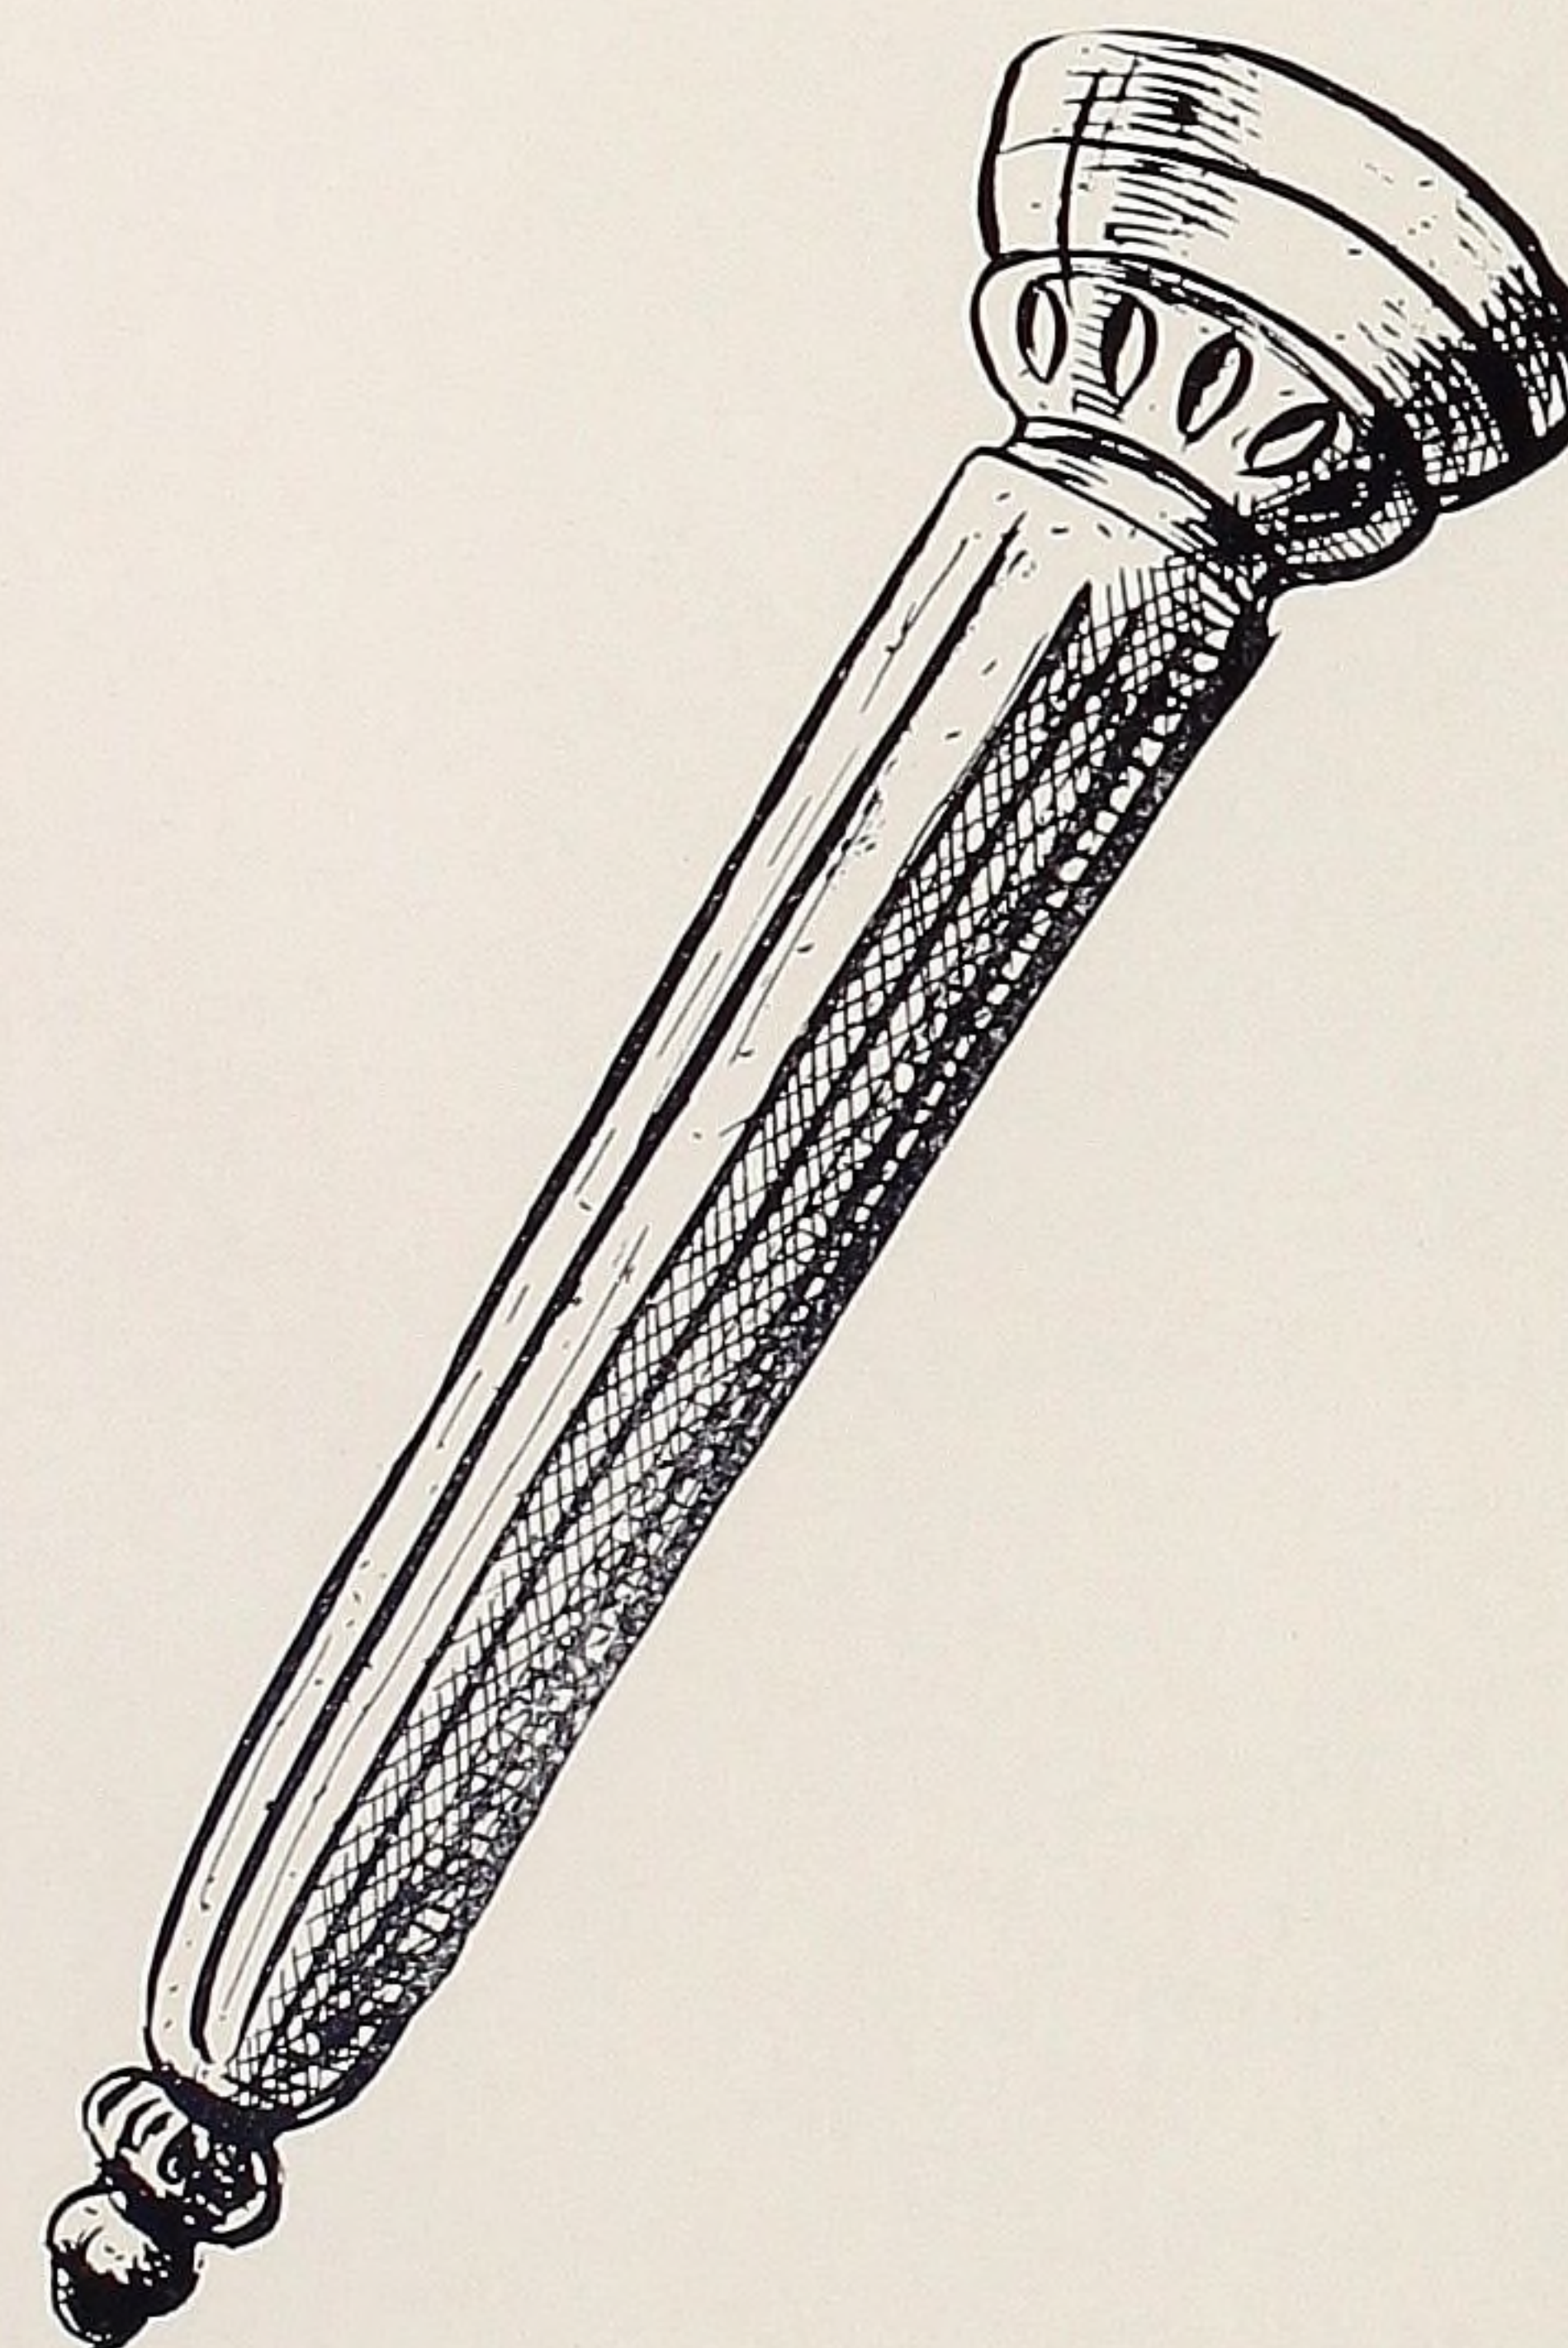

Farm Maintenance

He does a good job of managing the affairs of our school farm.

GEOLOGIST AND OFFICIALS FIND CLUE TO PAST

A group of scientists headed by Kenneth Dickinson, Geologist, entered the atomic poisoned area left by the bombing of the last war. Latest word from them is that they have found a clue to the past. Arnold Fritz, gamma ray technician, discovered a blue and gold stone covered with names. It was found near the ruins of a group of buildings. Prof. Dickinson states that it seems to be the ruins of a college. Only a cornerstone was found bearing the letters MUFFITT upon it.

Included in the group of scientists are: Dick Terman, Biologist; Paul Williamson, Archaeologist; his wife Mary, Ornithologist; John Bright, Archeologist; and Wilbur Williamson, Big Game Hunter.

This expedition is financed by the United States of the World to decide whether Michigan can be reoccupied. Pres. Evelyn Diehl of the New New Deal stated that the land will be opened for homesteading soon.

Spring Arbor which was destroyed during the last war has been rebuilt. Their site is located near Jacksonville, Florida. President Bonnie Powell announced that the teaching staff has been chosen and that school will re-open next fall.

Included in the faculty there are:
Pres. Powell—Religion
Mr. Hawkins—Coach, Phys. Ed.
Miss Stottsberry—Gym Teacher
Miss Boadway—Social Science
Miss Crandell—Commerce
Miss Greer—Nurse, Nutritionist
Miss May—Science, Art
Miss Miller—Mathematics
Miss Hopusch—Dean of Women
Miss Davis—Field Service Director
Mr. Cowles—Manager
Miss Ingalls—Music Department
Miss Tjepkema—Languages (Chinese)
Miss Scramlin—Speech, English
Miss Russell—Public Relations
Miss Buckta—Cook
Mr. Gibbs—Janitor

The College pastor this year is Miss Voorheis. She served four very successful years at Washington, D. C. before coming here.

Good luck, Spring Arbor! As you reopen may you continue to serve the world as you have in the past.

Free Methodist Church Stations Preachers

The thirty-second Annual Conference Camp Meeting of the Free Methodist Church of New Mexico was held February 12-26. The Evangelist was Rev. Merlin Rensberry of St. Louis and his wife, Grace, song leader and soloist.

Saturday afternoon was climaxed with the appointments. Bishop Booser who presided over the conference, read the list.

Minimal City—Rev. Sickmiller
Rice Creek—Rev. Jefford
Las Vagas—Rev. Starcher
Sweazeaville—Rev. Traxler
Backwater Junction—Rev. Pickett
Pulaski—Rev. Holley
Lodi—Rev. Erickson
Albuquerque—Rev. C. Dickinson
New Hope—Rev. Emcke
No Aqua—Rev. Reese, Pastor
Rev. Dorman, Assistant Pastor

The Women's Missionary Society workers were Rev. and Mrs. Clancy Thompson, returned missionaries from Siberia.

Survey of Industries

Industry is now building a new low priced car called the "Walker". Everyone has his slogan memorized "Don't Walk(h)er, Give her a ride!" The factory is located in Liddieville, Louisiana.

Walter Flowers, Inc., a greenhouse of world fame, is supplying corsages for all events. Headquarters are located in Blossomburg, Ohio. Mr. Walter asks, Where else can you get a Posey per penny?"

Mr. Scott owns the Virgil's Virgin Timber Co of Virginia. His partner in business is Forrest "Woody" Meek. "We'll never run out of lumber as long as Forrest lives".

The S and S Cotton Picking Co. (Sadie & Sylvia) is run by two very enterprising women. It has been a great lift for those bent-back farmers. Misses Crain and Tucker say, "It is easier than picking by hand."

Elevation Shoes for Tiny Men is run by Mr. Jim Dawson and Mr. Jim Johnston. "Add inches to your height by Elevation Shoes, Jim-mie your trade." Their factory is in Shue, Pennsylvania.

Mr. Allen Beebe is manufacturing Long "Shot" Shells in Chattanooga, Tennessee. These shells fit all Miracle Action Rifles. The rifles also are made in Chattanooga by Miss Virginia Miracle.

Felix Cat and Dog Hospital is located in Dogwood, California. Mary's helper, the Pet Shop Psychologist Pettit (Esther) says "I rehabilitate all frustrated animals, am kind to all dumb ones."

Class Prophecy

On a still, dark night in June the faculty advisors of the class of '50 may be seen, by a dim light, seated before the glowing embers in the fireplace of the Girls' Lounge. They are closely examining the tea leaves to learn if the future holds a more promising outlook for their wayward students than that of the past.

First, they see the class president, JACK RAPER, a traveling evangelist, getting off from a train in Chicago only to discover that he has forgotten his sermon notes.

Several blocks from the station MARY AND-ER-SON, Jimmy, are seen returning from the Chicago Baby Beauty Contest proudly bearing the first prize ribbon, which Jimmy won.

RICHARD HAWES, having long since been discouraged with the "fairer sex", is now a confirmed bachelor and proprietor of the Adrian City Bakery. One wonders how he manages to keep his books straight, since he firmly believes in letting a large amount of baked goods go to "waist".

BOB CAMERON may be seen day after day on the shore of his favorite lake, physics book in one hand and harpoon in the other, trying to disprove the Law of Light Refraction.

ED DAWSON, a big-hearted country preacher, is rescuing one of CHUCK SNYDER'S prize hogs from the mire on the Sabbath.

GRACE McMENAMIN, who has just taken first prize honors in the Cherry Pie Contest at the Cherry Festival in Traverse City, Michigan, proudly gives a sample to her twin, GLADYS, who is struggling to surpass Beethoven.

MR. AND MRS. RICHARD HANSEN are being entertained at the parsonage of REV. AND MRS. HARRY HOSMER, who are struggling along on their first circuit.

On closer examination of the tea leaves, our class advisors hear the Irish Mixed Quartet, consisting of DOROTHY ROTH, MARGARET HYNDMAN, HAROLD McALLISTER, and JOSEPH McFERRAN, sing their opening number on "The Irish Hour".

OWEN OSWALD, in his Western travels, pays a visit to cowboy BEN HANSEN, owner of a large ranch in Nevada.

TALLMAN and MOORE are nationally famous comedians.

COACH GIBBONS of Starr Commonwealth schedules a basketball combat with COACH STOUT, who has replaced stoop-shouldered, care-worn Coach McDonald.

BOB MYERS and LOIS MEYER are giving lessons on the correct pronunciation of their names.

BISHOP JOHN TAYLOR is giving instructions to his young deacons, JAMES JOHNSON, WENDELL COLLVER, and CHARLES WARNER.

DR. HYNDMAN is seen entering ROCKY JORDAN'S Drive-In for a stimulating cup of hot coffee to give him strength for a midnight operation. The operation proves successful due to the competent assistance of two graduate nurses, LOIS WILLIAMS and JUNE CARD.

The class advisors next see some of S.A.'s future faculty members: ARDIS FIELD replaces Miss Morgan as business teacher; FLOSSIE RENSBERRY relieves her cousin, Miss Evea Rensberry, as bursar; and VALETTA STEVENSON assumes the duties of the girls' physical education program for Miss Lindsey.

LOUISE HILL and MARJORIE JOHNSON are employed at the Jackson Bell Telephone Company.

DON KING specializes in the recuperation of stray dogs, having begun his hobby in Spring Arbor.

TED LEE maneuvers on the Indianapolis Speed-Way in a special car designed and built by the nationally known inventor, BYRON SHAW.

Some of the students are even influential in Washington, D. C. IDA MAE ARRAND is head librarian of the Congressional Library. DONNA FAIRCHILD and ROBERTA HOAGLAND are secretaries to our Michigan Senators.

MRS. KENNETH HYNDMAN is visiting with her former S.A. roommate, MRS. VERNON SWEARENGIN. The subject of their conversation appears to be a very popular one among young house-wives—child discipline. It seems that their "problems" have been giving their teachers, MARGARET SHUE and LOIS HUNT, a rather hard time lately.

As for those hard-working gals, MARILYN BLACK and BEVELINE MATTHEWS, they are living together in a swanky New York apartment. Needless to say, their date books are always scheduled weeks in advance.

After completing their task, the faculty advisors of the class of '50 seem rather pensive. We sincerely hope we haven't caused them to become discouraged.

Student Council

Do you have any suggestions for school improvements? Contact your class student council member who is your representative in this organization. Besides the class representatives are the president and faculty advisor, which positions have been ably filled by David Jefford and Mr. Soldan respectively. The work of this group is greatly appreciated, and every student is benefitted by it.

Friday is a wonderful day for more reasons than one. It is the last day of the school week; it is the day when students can have dinner dates; and, just as important as these two, it is the day the Redit is distributed. Some of the special features this year were: "Meet the Faculty," "Religious News," "Town News," "Who's Who," "The Snooper" (what would we do without her?), and "Sports Highlights." The business managers worked in cooperation with the Echo. Many a happy hour has been spent in reading this school newspaper.

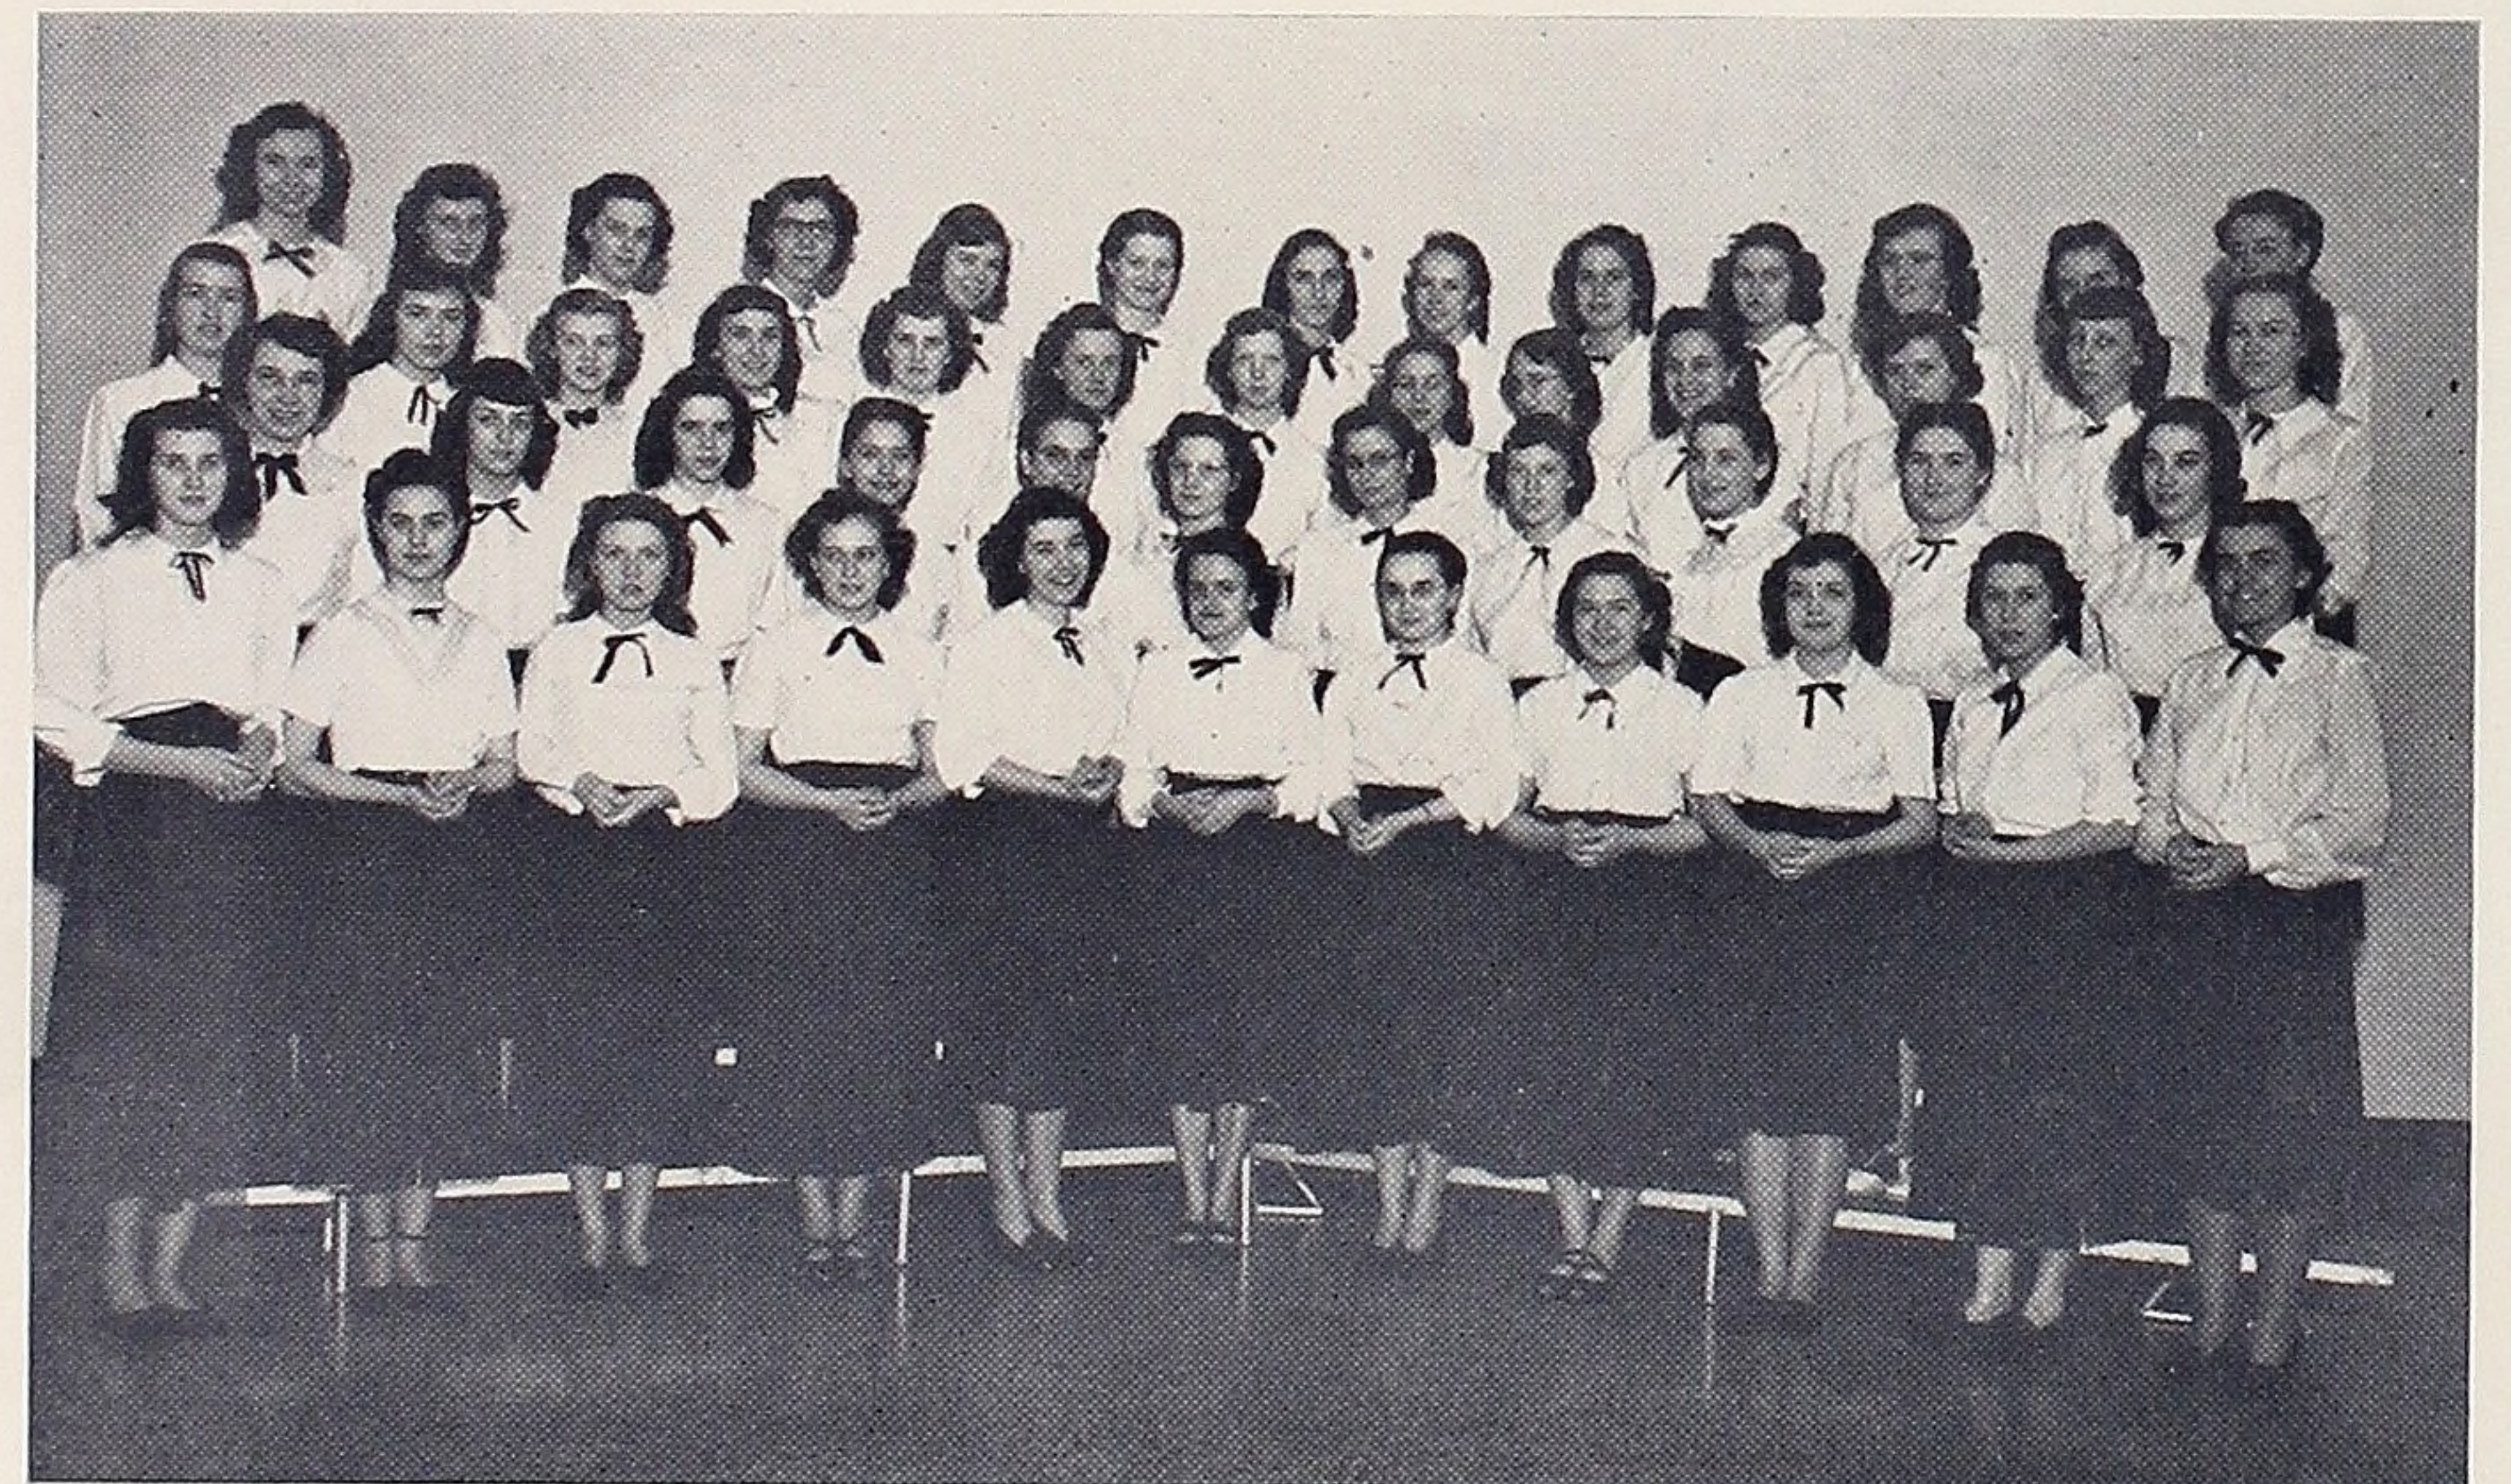

Re-Dit Staff

A Cappella

If you have any singing ability whatsoever, being a member in either one of these choirs will help develop that talent. Both groups participated in the Christmas program and the A Cappella traveled throughout Spring Arbor territory to sing the story of Easter. Members of both choirs have a "singing good time."

Willingness to work is a "must" in this organization. Many are the opportunities in this association to do Christian service. Budding preachers, singers, and Sunday School workers are given a chance to develop their speaking, singing, and teaching abilities by actual practice. Street meetings, calling groups, Sunday Schools and preaching services are all sponsored by this organization. Members are better fitted to serve their Master after spending a year in this association.

"This year's team is the best team since I've been here." This is a quotation by Coach McDonald, now in his sixth year at Spring Arbor. The team played very well this year while meeting stiff competition. They compiled a record of 9 wins and 6 defeats.

The greatest game of this year for the college team was the victory over Roberts Wesleyan College. It was the first time in three years that Spring Arbor defeated Roberts on Spring Arbor's home court. The college led all the way and came out victorious 58-53. By winning this game they won a nice big trophy to keep until Roberts can take it away by defeating our college team.

College Baseball

As soon as basketball season was over the fellows at Spring Arbor Junior College began preparation for the coming baseball season. With almost the entire team of last year returning and with many new prospects the baseball team came through well. The highlight of baseball as of track was the trip to Roberts College.

BACK ROW: Coach McDonald, S. Ulsaker, B. Shaw, M. Goldsmith, J. Taylor, E. Gibbons, W. Colver, S. Chapman, T. Lee

The High School basketball team came through with a record of 7-3. They defeated Roberts High School twice, while defeating Starr Commonwealth three times. Their three losses were to Grass Lake in the Class D. District finals, Starr Commonwealth, and Toledo. The outstanding victories this season were the three games they won from Starr Commonwealth. Last year Starr beat the High School three times by one point. After losing the first game to Starr this year, they came back the second time to win by one point, and went on later in the season to win two more games from Starr.

High School Baseball

This year the high school will be playing its third year as a separate team from the college. The squad is composed of a lot of young talent and the future looks bright for baseball around Spring Arbor.

FRONT ROW: D. Stout, R. Kinnaman, L. Starr, J. Chapman, S. Chapman

BACK ROW: R. King, W. Collyer, B. Hansen, P. Meek, W. Williamson, J. Walter, B. Cameron, R. Myers, G. Booser, P. Wilson

This group of athletes were chosen by the athletic directors of each class. They were chosen as the outstanding football players of their respective teams. The Sophomore Class led the selection by having eight members placed on the All Star team. The Freshman Class was second with six men, while the two High School teams placed eight men between them.

Intramural Football

The college Sophomores won the intramural football championship by defeating the College Freshmen in the final game. The Sophomores had a rugged line with a backfield of capable speed. The college Freshmen seemed to give the Sophomores their stiffest competition. In the first game between these two teams the Freshman won 6-0.

With six returning lettermen and the addition of several new students, the college track team's outlook is very good. Highlight of this year's track season was a trip to Roberts Wesleyan College. The annual Field Day was held again this year with awards going to the winners.

High School Track

Last year the high school had only one of their former track members back. It is a different situation this year, though. A good majority of last years squad has returned, and it looks like they have a well balanced team.

Reminiscence

"Backward, turn backward, O time in thy flight" and help us remember the first experiences in this school year. Can you remember how you tripped over suitcases, trunks and people eagerly exchanging the summer's news and gossip as you were introduced to life in Spring Arbor? Then you began to get acquainted with everybody yourself and thought that maybe school wasn't going to be so bad after all.

The all-school picnic and sister class hikes helped you to discover that Mary had the cutest clothes, Shirley was a real brain, and Bill was just plain funny. You found out also that school was more than a lot of fun, so you began to buckle down to study. You were just in time, too, because the first report cards came out just about then and you learned that you were smarter (or dumber) than you thought.

You had to chuckle when the College Sophomores pulled the wool over everyone's eyes with their fake skip hike. They, and the seniors too, really had fun on their skip hikes, according to all reports. The Hallowe'en party really tickled your funny bone when you saw everyone dressed up so peculiarly—ghosts, angels, the devil, and even little black Sambo, complete with the tigers.

November ushered in the beginnings of the basketball season and you began to spend most of your waking hours over in the gym either playing or watching. Thanksgiving Day saw you getting all dressed up in that new suit or dress that you had saved especially for the banquet. There you ate at least enough for three people, then regretted it later. On that same night remember the gay time you had at the big snowball fight? Boy! You felt big when you finally got it back on Pete for the time he stacked your room by heaving him in a big snowbank.

After a while the snow ceased to be a novelty and you just existed through the days remaining before Christmas vacation. Then before you finally got started on your way home, you enjoyed all those pre-Christmas parties and the program presented by the song-birds of S.A. At last you were home, where, for the next ten days, you loafed around and gorged yourself on all the goodies that Mother baked especially for you. Or maybe you worked like a Trojan on those term papers that were due as soon as you got back to school.

You hated to admit it to your family, but you were rather glad to get back to school and get into the swing of things. The beginning of the year saw all our teams going away to other schools to display their basketball prowess. Then you had to put on your company manners when those schools' teams came here. At Sadie Hawkins' time you finally caught that boy you'd been interested in.

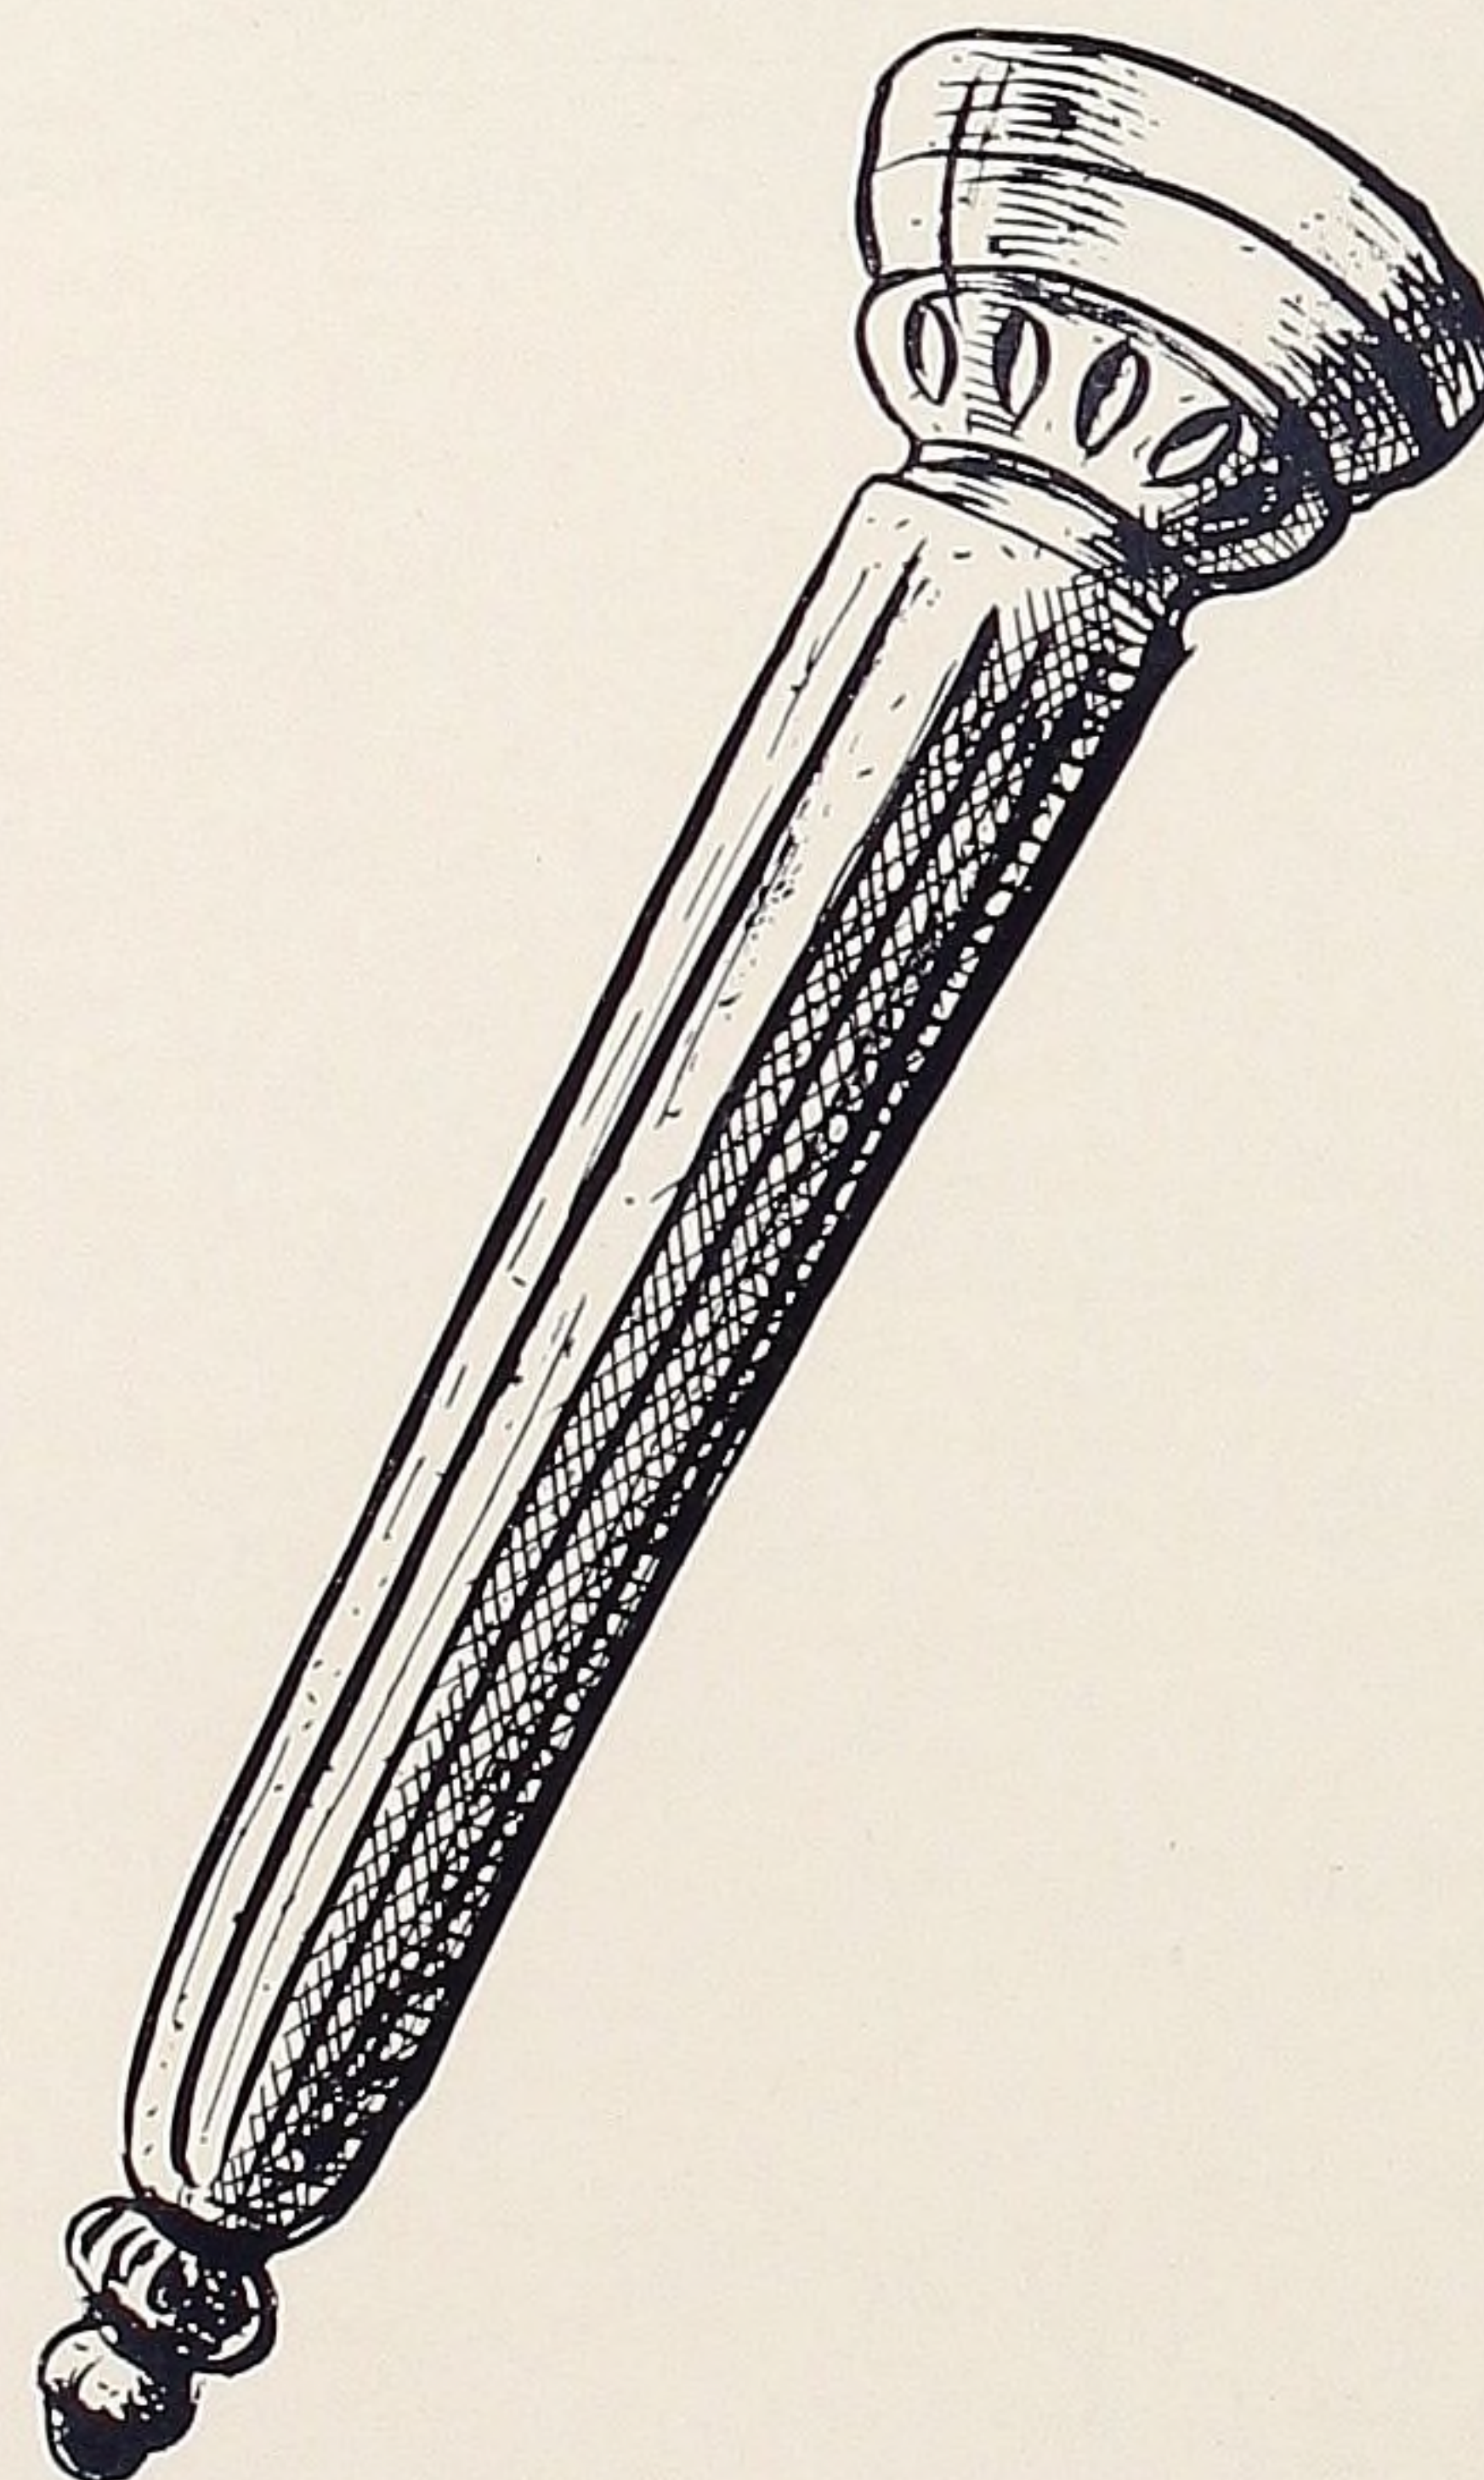

The beginnings of Spring brought the anticipations of another vacation. You sympathized with the members of the ECHO staff who were working like slaves to get the yearbook out; the A'Cappella shared your sympathy as they practiced and practiced to prepare themselves for tour.

You began to get itchy around May when you realized school was almost over as you attended the banquets, crammed for and endured those horrible final exams, and began to pack your trunks. The last minute rush with class night programs, alumni banquet, and commencement itself was pretty much of a blur because there were so many people around that you could scarcely think.

Then, as you remembered all those wonderful Friday night programs, and the unforgettable chapel services, not excluding the heart-stirring revival services, you thought that indeed the Lord had been especially good to you in your school year at Spring Arbor.

**a matter

The enjoyment of electric and gas service depends, much like an education, on the degree to which it is used.

Wires and mains, like brain cells and nerve centers, are full of potential energies needing but to be called upon to bring to you new realms of convenience, helpfulness and comfort.

These services are aiding in creating new standards of living, in shortening and lessening domestic labor and through the allowing of more time for relaxation, leisure and recreation, such services contribute to health, and longer and fuller lives.

These advantages, both economic and personal, are yours for but a few cents a day—one of your soundest investments.

A black and white photograph of a farm equipment store. The building is a single-story structure with large windows and doors. The text "RALPH OGLE" is prominently displayed above the entrance, and "FARM EQUIPMENT" is written vertically on the side. A vintage tractor is parked in front of the building. To the left, there is a Mobilgas sign and a smaller sign that reads "RALPH OGLE MACHINERY SALES".

In the Years to Come: Remember
the Word of the Lord

"I will go before thee, and make the
crooked places straight: I will break in pieces
the gates of brass, and cut in sunder the bars
of iron."—Isaiah 45:2.

THEREFORE

"Trust in the Lord with all thine heart,
and lean not unto thine own understanding.
In all thy ways acknowledge Him, and He
shall direct thy paths."—Proverbs 3:5, 6.
