**SPRING ARBOR
COLLEGE
1979 ECHO**

**PRESIDENT AND MRS.
ELLWOOD VOLLER**

Ellwood Voller is a special person to each of his friends and acquaintances. To the community he is an involved, civic minded educator. To the college trustee he is a decisive leader. To the faculty he is a source of encouragement. To the student he is a friend and counselor. To all he is an optimist with a deep and sincere desire to serve others.

"The purpose and mission of Spring Arbor

DEDICATION

College," said Dr. Voller, "speaks relevantly to the concerns of society today by integrating the teachings of Jesus Christ with academic discipline. If we remain committed to these Christian perspectives, the ever increasing secular pressures cannot destroy us."

As president of his alma mater, he has seen new facilities completed, enrollment increases, new academic programs established, and financial support grow. During these years of achievement, his every action, every decision, reflected his statement, "remain committed to these Christian perspectives."

Thank you, Dr. Voller, for your love . . . your dedication . . . your patience . . . your Christian life . . . your commitment to serving others . . . and yes, your unlimited optimism. These qualities instilled in you have led Spring Arbor College through a difficult decade.

I looked for my soul
but my soul I could not see.
I looked for my God
but my God eluded me.
I looked for a friend
and then I found all three.
Anonymous

If a man could mount to Heaven and survey the mighty universe, his admiration of its beauties would be much diminished unless he had a friend to share in his pleasure. Cicero

You know how I feel
 You listen to how I think
 You understand . . .
 You're
 my
 friend.
 Susan Polis Schutz

Let us be what we are and speak what we think
and in all things keep ourselves loyal to truth and
the sacred professions of friendship.
Henry Wadsworth Longfellow

God evidently does not intend us all to be rich,
or powerful, or great, but
He does intend us all to be friends.
Ralph Waldo Emerson

The more we love, the better we are; and the greater our
friendships are, the dearer we are to God.
Jeremy Taylor

A friend is one
to whom one may pour
out all the contents
of one's heart,
chaff and grain together
knowing that the
gentlest of hands
will take and sift it,
keep what is worth keeping
and with a breath of kindness
blow the rest away.
Arabian Proverb

Without the prayers of many and God's help, this book would not have been possible.

Due to the resignation of Steve Yoder as Editor, the staff was left to complete the 1979 Echo on their own. I would like to thank the staff members that worked on the book throughout the summer of '79, and into the next year. Also a sincere thank you to the Student Association who showed their confidence in me, and to a number of individuals outside the staff who gave of their time and efforts.

A special appreciation goes to the Hunter Publishing Company on their understanding of our numerous delays, and to Doug Bynum (our Hunter representative) for his constant support.

I hope each time you look through this book, it reflects for you the "Fun and Friends" you have made while attending Spring Arbor College.
