Word up...

Yo, peep this: Xian in tha hizouse, know what i'm sayin'?

Anotha year, anotha yearbook. We gots yer faces, we gots yer names, but this yea' we went and taught tha 'book some phat new trixz. Like the new first-name index ya'll find at the back, so if you're tryin' to find some homies who neva told you their last names you can still dig their stats. There even be a email listing of those not lucky 'nuff to be pictua'd in these pages. So enjoy, find waldo, keep an eye out foe next semester's Echo, and give a big collective word ta all your mothahs.

But, yo, check this. My mad skillz alone ain't enough foe an Echo such as this. So I wanna give props to all the bruthahs and sistahs who got my back. First props go to Dr. Dad, Dever the younger, and Sarahg, word up for ya registration-line helpfulness. Next up, tha fly MorganL wit all her pictchas. Then come along Jenambrose and Barnack, who done helped wit placing the hundreds o' mugs. Yo. Can't be forgettin' Mike the Woodard foe chillin wit tha downlow an' bein' a cute cover girl. And tha followin' get props just fer keepin it real: id, RDS, tha mad wizards of tha coast. And last but far from least is our man Jesus.

Xian out.
