The Echo

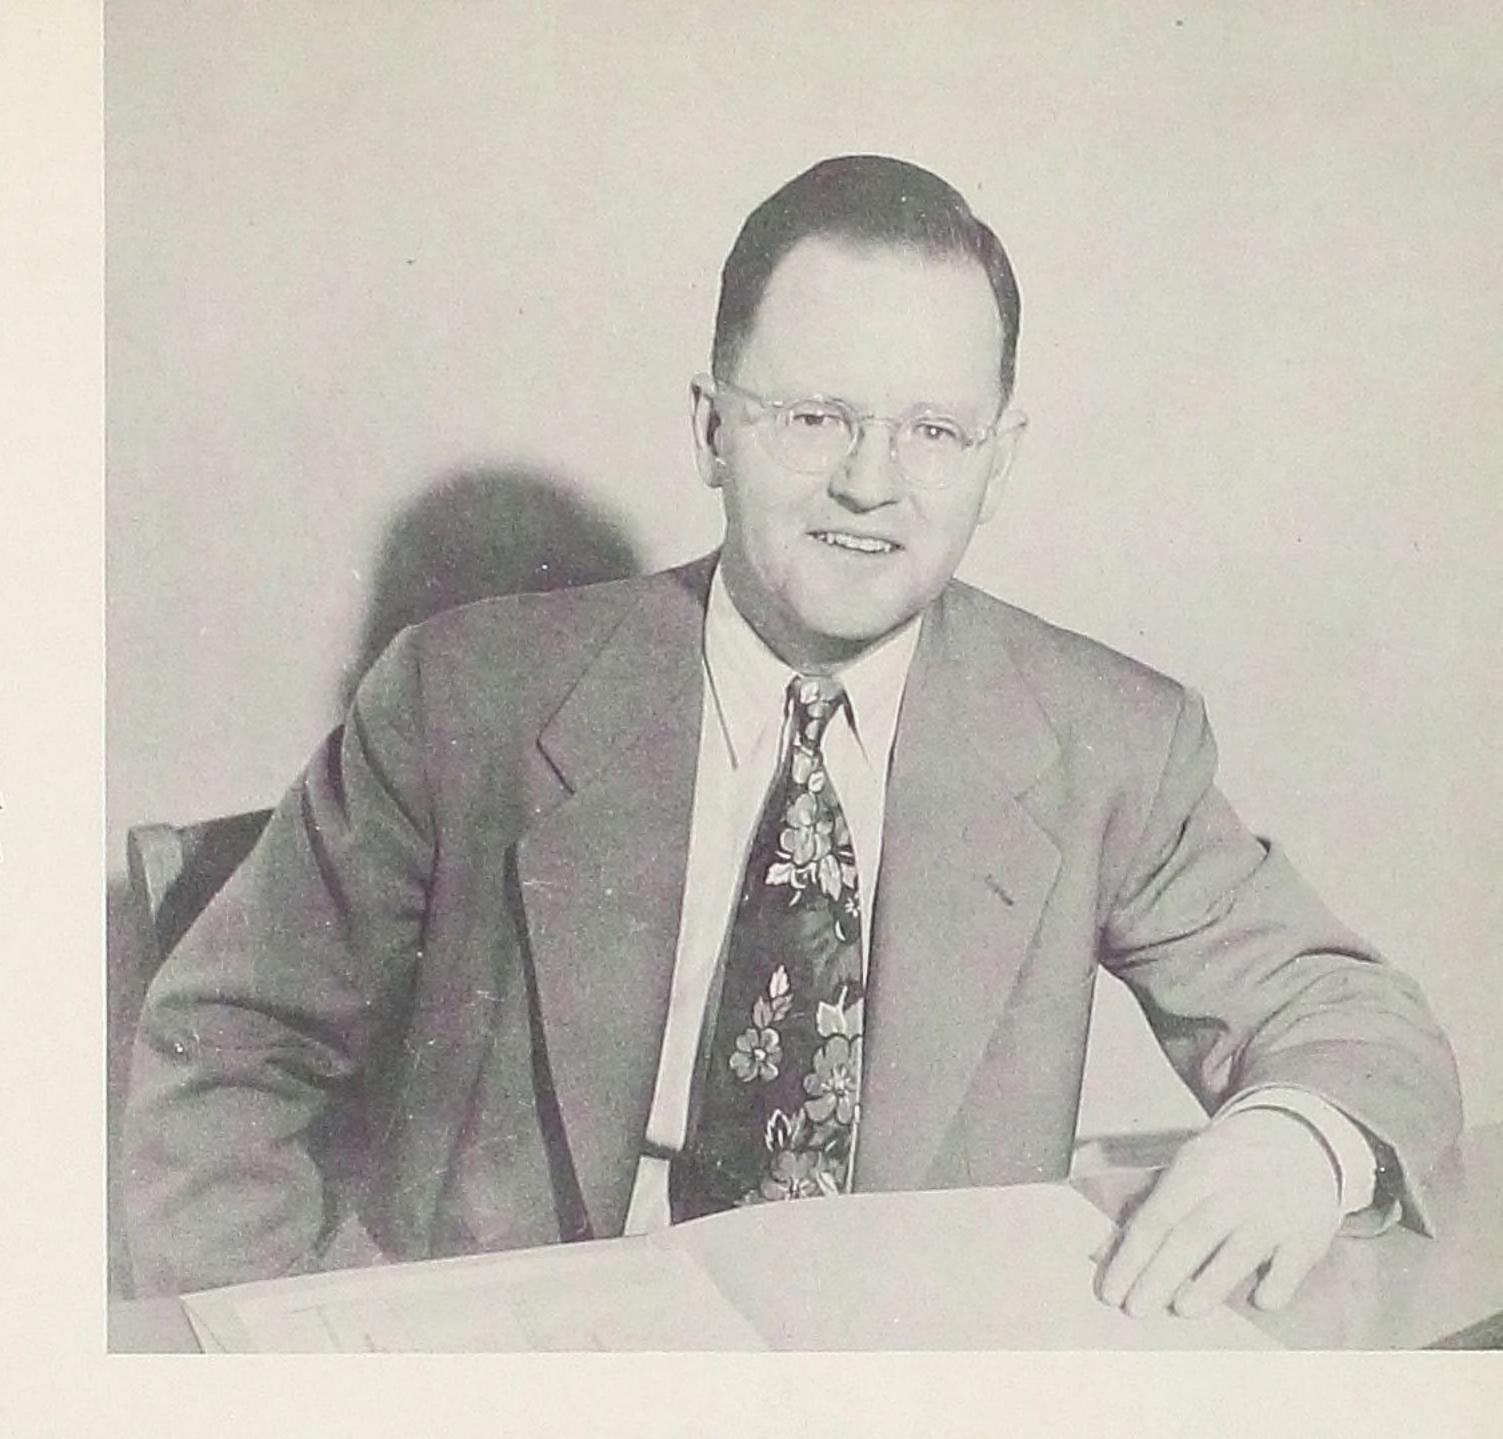

"A word fitly spoken is like apples of gold in picture of silver."
Proverbs 25:11.

"Words like photographs in old "Echos" seldom realize the ideal expressed by the wise man."

"I can only pray that
your lives may have been
such that your memories
will always be pleasant
and your future bright."

There was a rushing hither and yon, a gathering of pictures, a compiling of material, a scramble of snaps, a collection of ads, and a lot of talk. But somehow, in the midst of it all, a way through was seen. It was only because of the capable leadership of Marty Jacobs, the editor, and helpful advice of Mr. Eldon Whiteman, the advisor, that deadlines were met and a yearbook produced. Now, at last, they are able to relax with their year of hard work held fast in your hands.

Life! Fun! Nonsense! Sports! Studies!
Activities! What would a campus be without these things? And what would our campus
be without the publications of the Re-Dit to
inform us of these things? Throughout the
year, Editor Myrna Edsall and her staff have
done an excellent job in reporting news which
we students have made. In addition, the
Re-Dit provides opportunities for students to
show their literary ability by contributing
articles from time to time.

Mryna Edsall Editor

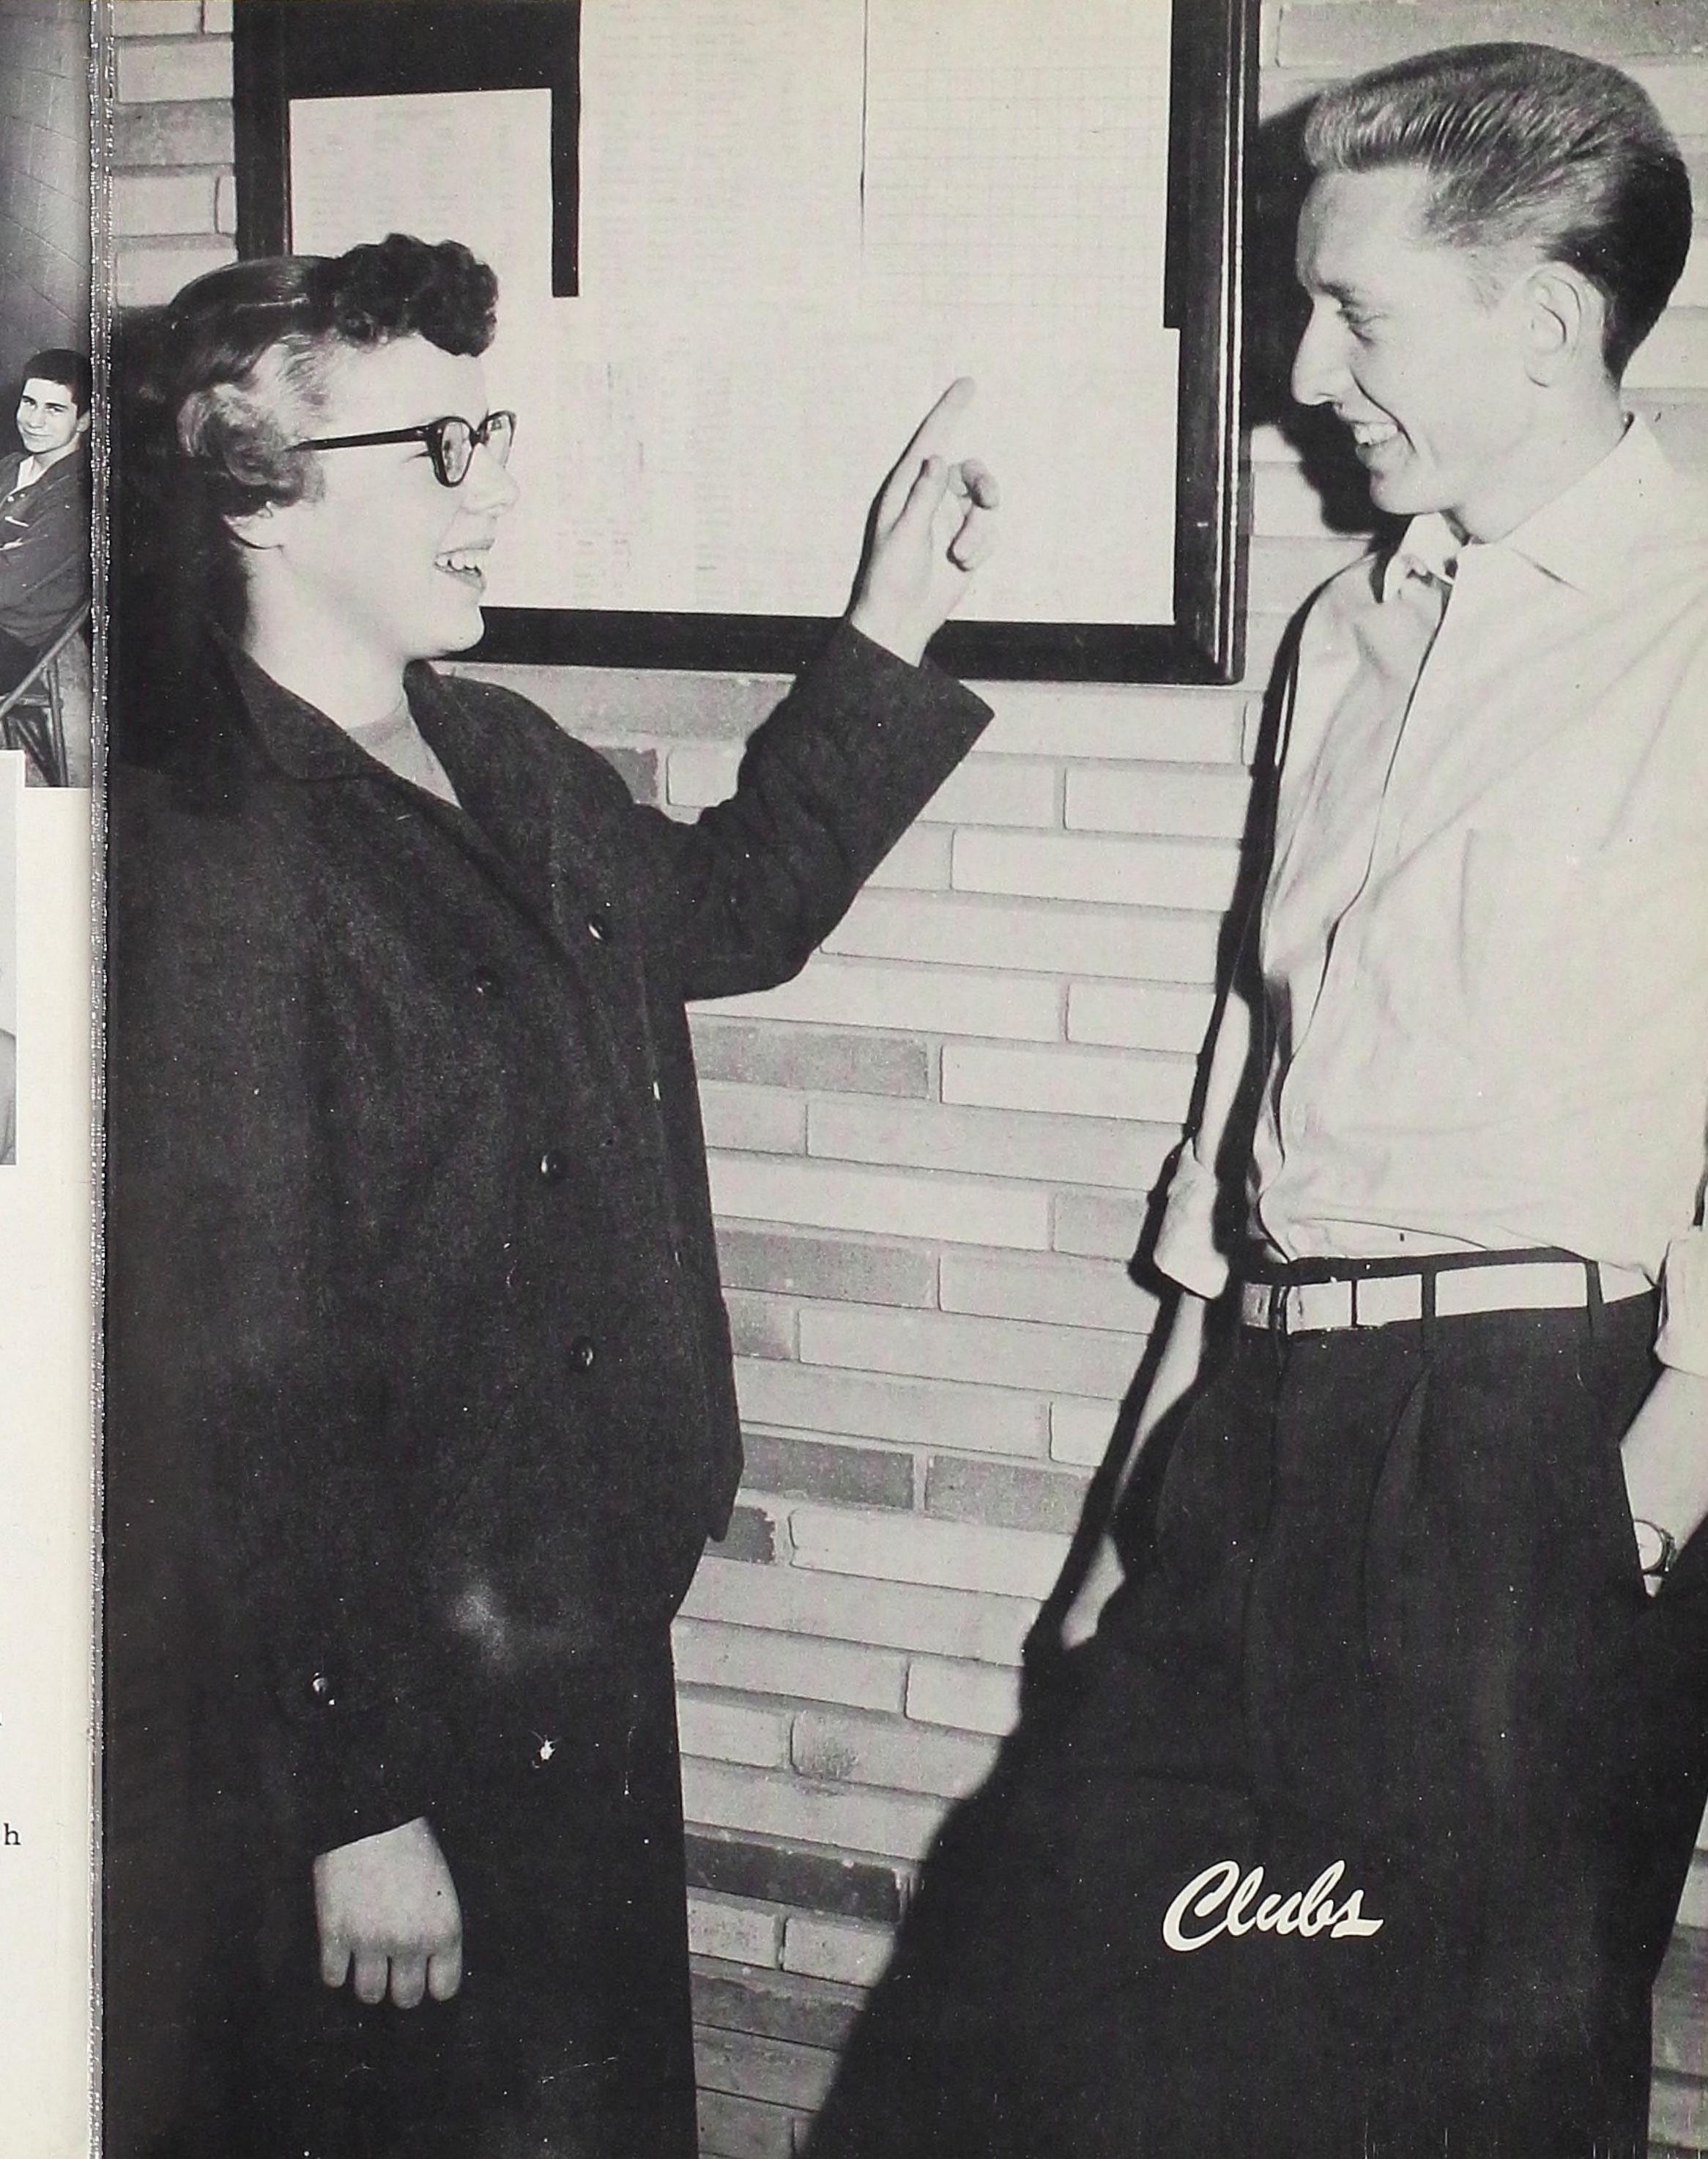

Certainly one of the most important groups on the campus, the Student Council is the bridge between students and faculty.

Consisting of a faculty member and two representatives elected by each class, the Student Council seeks not to govern but to serve the student body by sponsoring the Fall All-School Retreat, the Annual Banquet and other activities which promote school spirit.

The experience gained by serving on the council will be invaluable to each member as he seeks to take his place as a Christian citizen of America.

Ministerial students, missionary candidates, and those preparing for other full time Christian work are welcomed by this organization. An active and varied program is presented so that every one may gain practical experience and insight to the many fields of Christian service. Plans for promoting children's work, missions, and radio work are among the larger projects promoted. The Ministerial Association attempts to prepare its members to fill their place and bless the world.

Christo-Volunteers is an organization for the Christian youth of the campus who are not preparing for full time Christian service, yet wish to gain practical experience in serving their Lord. It attempts to promote Christian effectiveness, usefulness, and influence, among the student body by weekly meetings and various activities.

To provide a higher level of cultural activity, to encourage better public and private speech habits, to stimulate interest in social awareness, and to provide a medium of expression for the spoken work; for these purposes was the Speech Club formed, with Mr. McKenna and Miss Galyen and sponsers.

The newly organized Music Club was formed with the intention of providing a pep band for pep assemblies and providing special music as the occasion might arise. Open to all those particularly interested in music, much interest has been shown in this club at the completion of its first year.

The photography club spent an enjoyable year under the supervision of Mr. Whiteman. Lectures, field trips and learning to run a movie projector were a few of the activities in which we participated. It's been a year of fun for all of us.

Cooking, baking, sharing recipes, and sewing were activities on the list for the Future Homemakers of America. A bake sale and a Christmas party for orphans of the area were projects promoted. The aim of the club is a future home-economics department in Spring Arbor.

President-Beverly Dressler Vice Pres. - Judy Seifgan Secretary-Alberta Coxon Treasurer-Patty Ogle

Hours of rehearsal are just one phase of A Cappella membership. The times of fellowship were numerous and their memories will be recalled. Devotions before practice, an evening of dedication and robing ceremony prior to tour, the annual picnic--these and other occasions were experienced during the year.

With Miss Lindsey's leadership the spring tour was a testimony of Christian lives and inspirational music. The state of Michigan was traveled, including not only evening concerts in churches, but also performances in high school.

The activities and events which are part of A Cappella and the joy of singing for the Master were enjoyed by each member.

The Annual Christmas season concert was the performance of "The Holy City" by a combined chorus from Spring Arbor and Owosso Bible College.

The one-hundred twenty voice group was conducted by Miss Vera Lindsey for the concert given in Spring Arbor. Miss Ruth Crown directed the chorus for the performance at Owosso. Edna Cain was the organist with Miss Dorothy Stomp and Mr. Gilbert Roller at the piano. Soloists were members of the Owosso Chorus.

A time of fellowship was enjoyed and a hospitable reception shown to each group.

A most satisfactory season was enjoyed by the team and fans of the '54 cross country varsity. Running in competition above their class including several M. I. A. A. Schools', the boys won 9 meets while losing only one dual meet by a close margin to Kalamazoo College, runner up of M. I. A. A. race.

Our fellows again proved to be uncrowned cross country champs of Michigan Junior Colleges!!

The high school cross country varsity led by returning lettermen rolled thru a season of 10 meets, with only a single defeat, at the hands of Adrian a strong class B school, whom they had previously beaten. Outstanding victories included Jackson High School, Class A; Adrain, Class B; and Coldwater, Class B.

The final and foremost of victories was the state meet at Ypsilanti, at which our boys completely dominated the field and walked off with the state championship as result. Congratulations guys!!

The college track enthusiasts are aspiring a more than satisfactory season on the cinders. With good hold-overs from the already acclaimed cross country aggregation, plus some talent from the high school graduates of '54 the result should be a competent offensive to any opponent.

With a possible return trip to Kansas, site of N. J. C. track meet, highlite of 54 season, in store, the boys will of course strive to produce their finest.

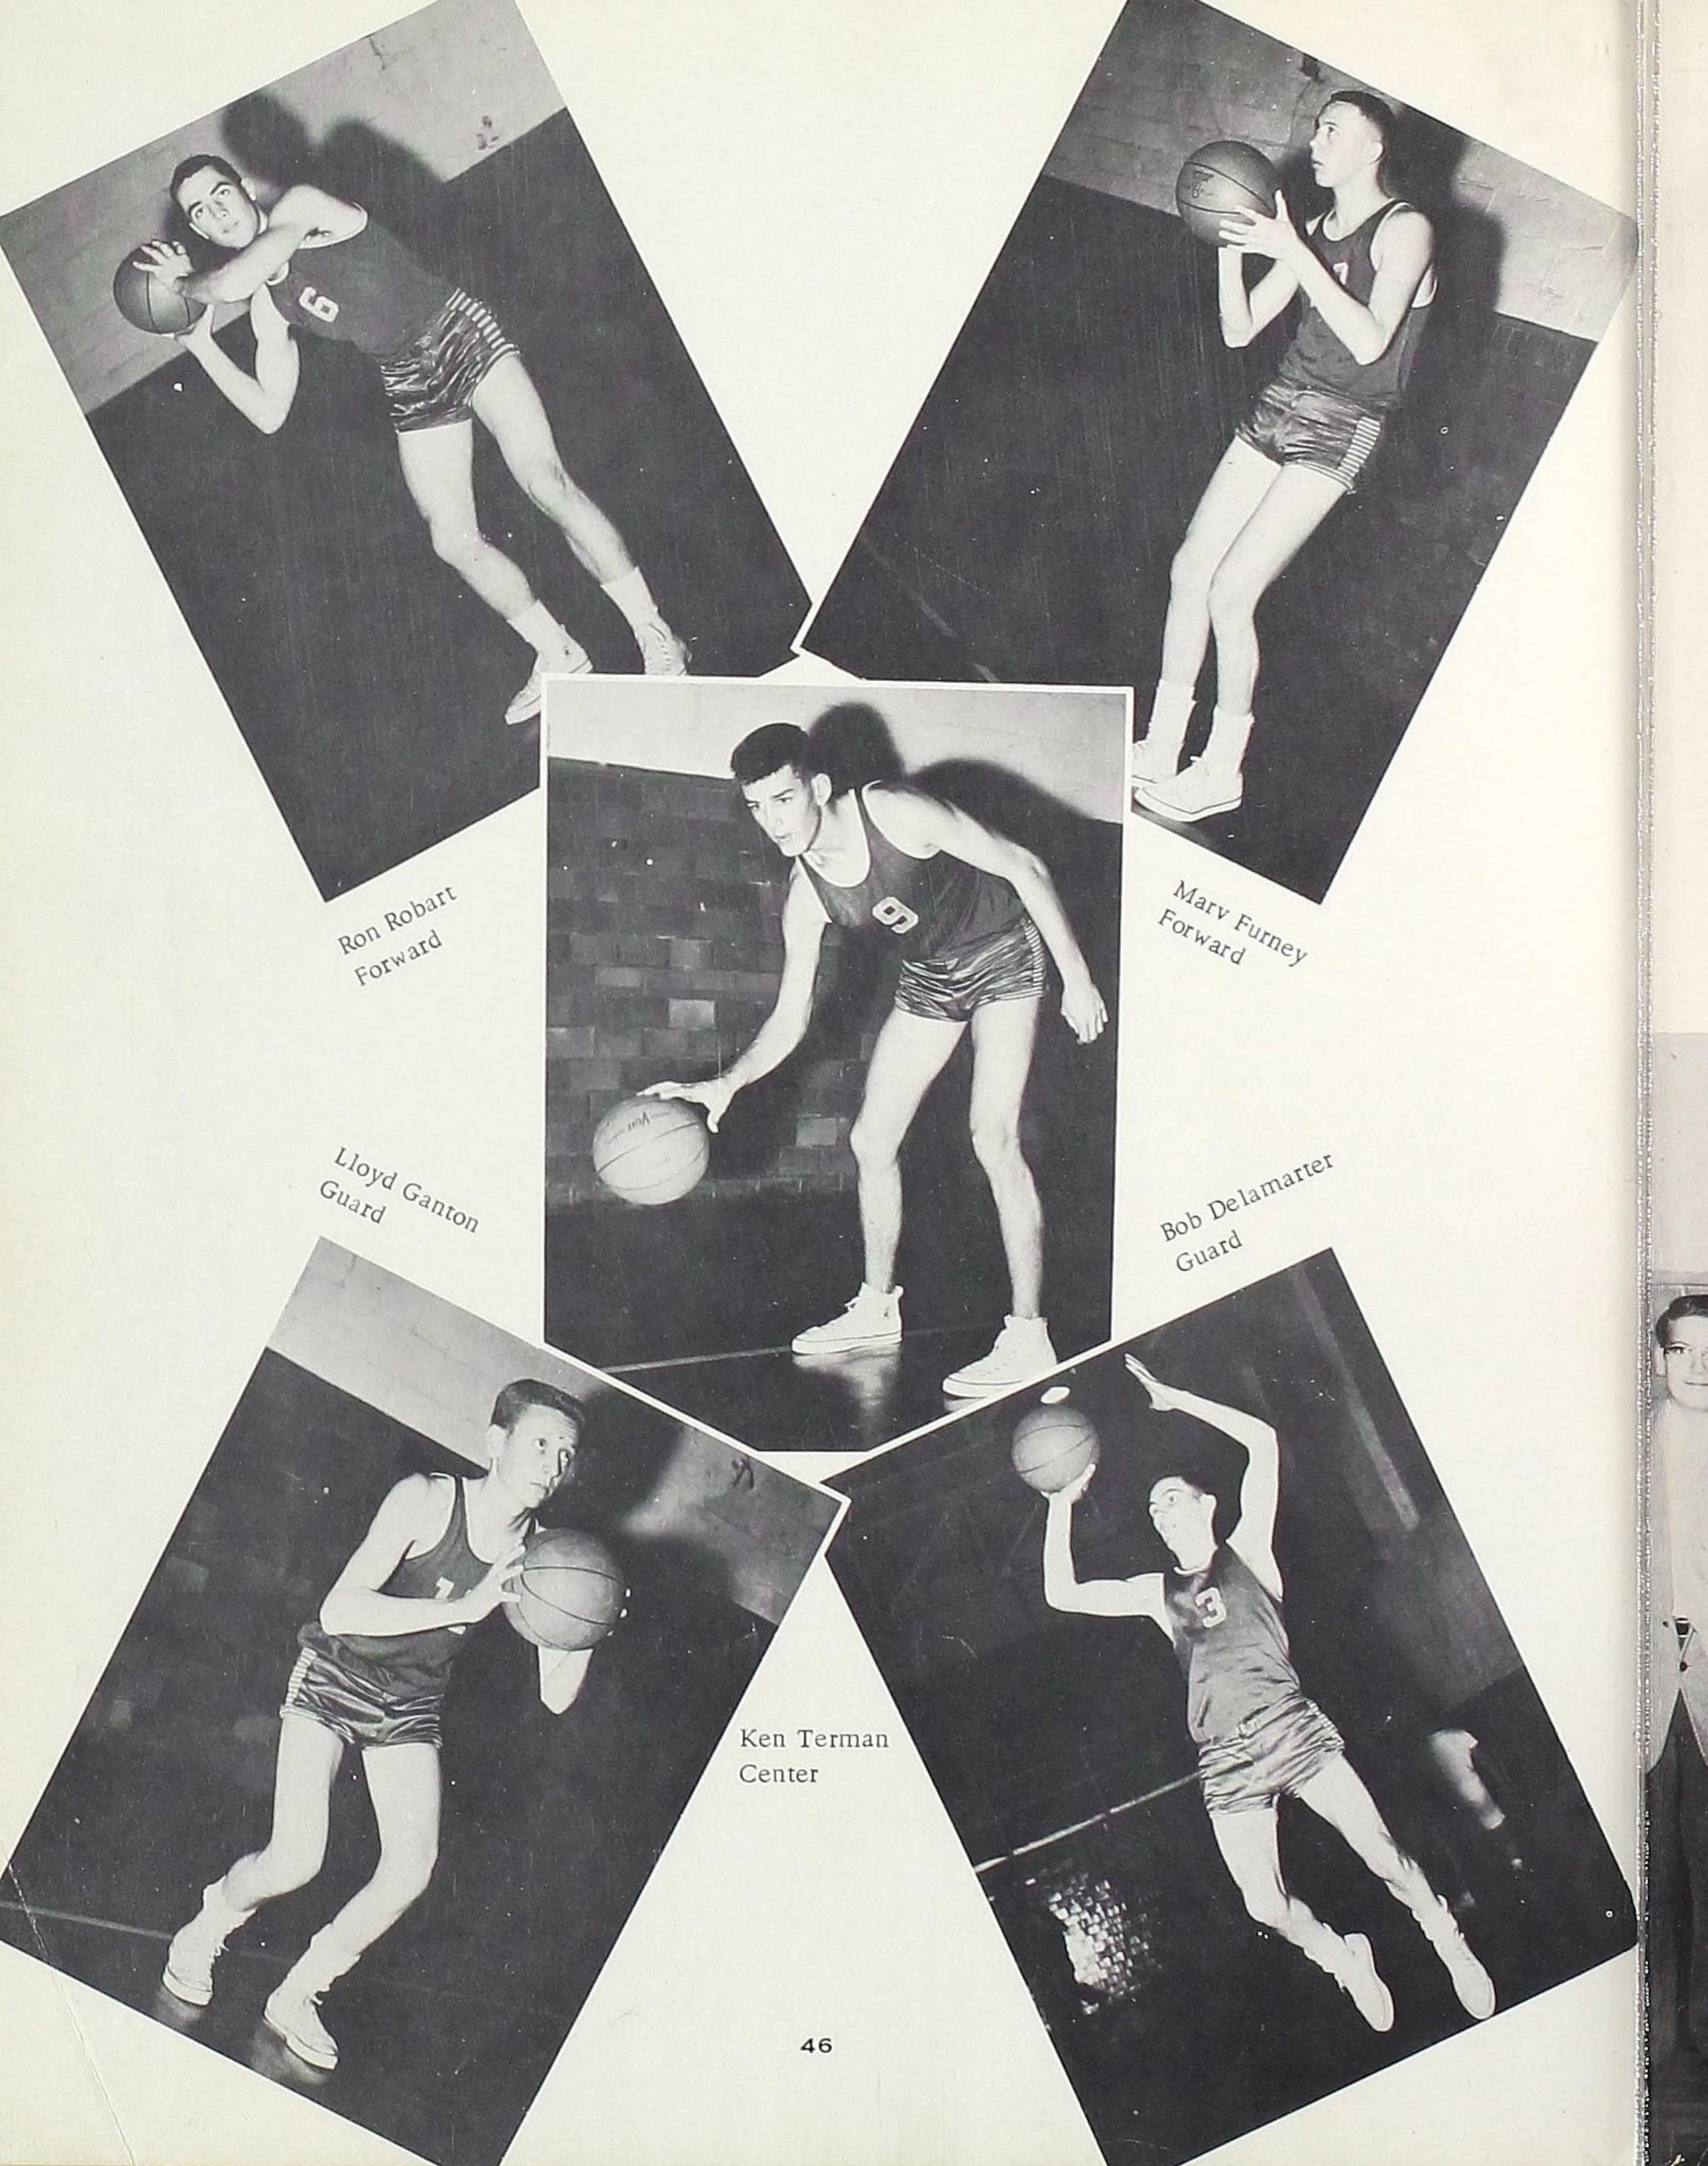

The college is blessed in the distance events with Darold Tucker and Jim Rhodes, sole man to place at Kansas meet last year. In the sprints Lynch and Evoy both are standouts. Heimberger class D State Champion 1/2 miler will of course be ready. The hurdles should be well covered by Barkwill and Davenport. Lots of Luck Fellows!!

The High School Track team, bolstered by returning lettermen, and cross-country hold overs will prove more than adequate for its competition. Runners up in the class D state meet in '54, the team will be shooting even higher in 55!! Let's go gettem guys!

The College Varsity for the season of '54-55 compiled a record of 16 wins and 3 losses, beaten only by Jackson J. C. and Roberts! Entered in the senior church league of the Jackson Y. M. C. A., the boys completely out-classed their foes and set some records for themselves-one being a point total of 132 points, in one game. Some outstanding victories included Albion Reserve, Davison Alumni, and Ardmore Travelers, a semi-pro team from Fort Wayne.

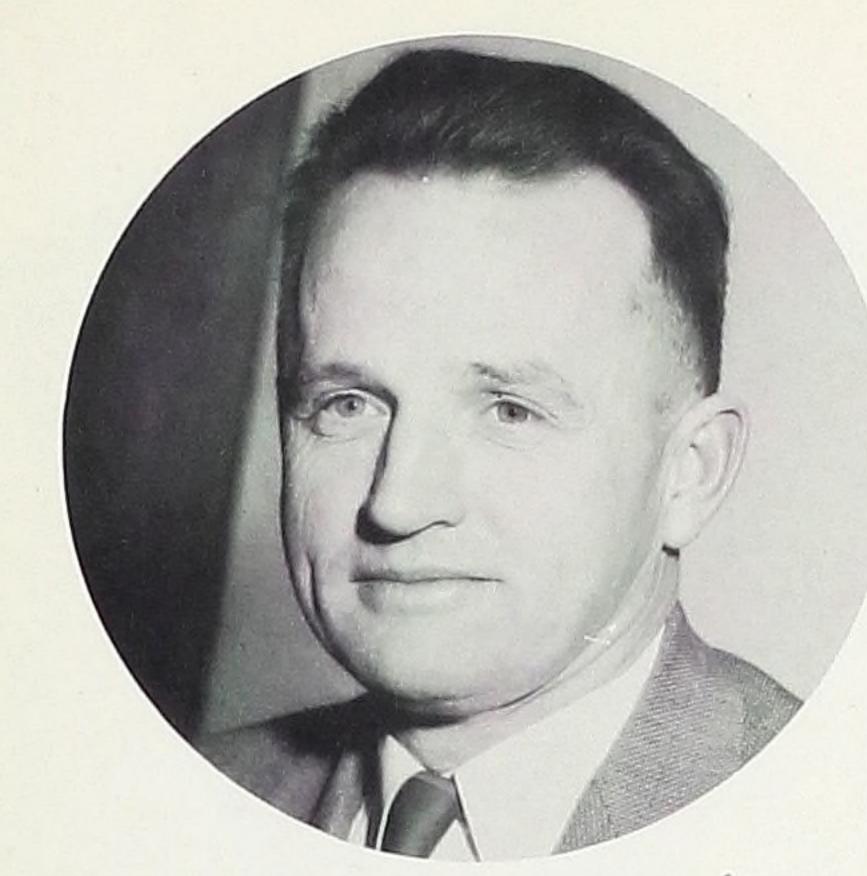

Congratulations are in order for the team's fine record and the dauntless leadership of their fine new coach, Vernon Dunckel!!!

The high school varsity finished the regular season by amassing a total of 17 victories against no defeats. This marks the first perfect season by a Spring Arbor team in history of the game in its present form. As a result of their decisive wins, United Press rated them as the No. 1 class D team in the state of Michigan at the close of the season.

Individually and collectively they set many records, i. e. the team total for one game 143 points; the individual scoring record of 63 points in one game set by Fred Whims; and as has been previously mentioned the perfect season. Whims also claims the new record of the highest average points per game for one season of 35 and, of course, most points in an entire season. Whims has acclaimed state wide recognition and claims a coveted birth on the class D "all-state team." Congratulations fellows!!!

The high school and college girls basketball teams have joined forces this year to form a top-notch team, "the All-Stars."

The team has proved itself by winning the majority of games played. The games have not been merely practice ones, but have been vigorous and exciting. One of the most exciting games this year was one played against the town in which two overtimes had to be played, with the All-Star girls coming out ahead.

BACK ROW: Joy Pratt, Shirley Westfall, Dorothy Raber, Joanne Zeller, Joyce Erickson, Myrna Edsall, and Coach Lindsey. 1ST ROW: Carole Cady, Bonnie Gilchrist, Dorothy Hacker, Margie Sidwill, Leona Hubbert, and Donna Murdock.

In the early part of November the student body selected the College and High School cheerleaders for the ensuing year. The girls in accepting their responsibiltiy went on to prove themselves worthy of their selection. They followed the teams through thick and thin, and win or lose they were there encouraging them on until the final decision.

Our College Church! A place where
we meet God and an institution declaring to all that the great eternal
principles of the universe and life
are Love, Sacrifice, and Service;
